MARKET REVIEW.

THURSDAY, December 17, 1891.

Since our last report there have been no changes to note in business circles. The rains and the bad condition of the roads have had a demoralizing effect on WM. SAUNDERS-ABCHTECT. - Plans and trafficin general, and all the trade done is merely local. The near approach of the holidays is causing some activity in the notion line which is of a limited character at present.

FINANCIAL.

In financial circles money is not quite

a better feeling prevails among all a better leeding prevails among all classes. The year's harvest has put into circulation at least \$750,000 in the counties of Wissee, Vilchitat and Shar counties of Wasco, Klickitat and Sherman, and the receipts from the sale of wool which has been shipped east and

is not reported yet will swell the in this city, December 14, 1891, by Rev. amount a clean \$1,500,000 dollars, W. C. Curtis, William W. Floyd and which is handled by our people for the produce for the year of 1891. The year which is just to be ushered in upon us promises a greater volume of wealth than has heretofore been recorded for

GRAIN MARKET. .

The grain market is very inactive: prices abroad are a bit off from last report. The farmers report the ground being The large amount of exports have re-

wet deeper at the present time than has lieved the pressure in foreign markets, been known for many years, at this sea- and the report comes that there will be son of the year.
