A friend of mine once had a gorgoous African parrot, a bird so handsome and so accomplished that everybody petted "Here, Polly! Pretty Polly? want some and savagely nip not the lump of sugar been one of the jealous and venal souls some poor innocent had taken for a friend, and from whom a wound had been received not in the fingers, but in the heart.-Mrs. Frank Leslie.

Women Doctors in England.

"In Great Britain," said Dr. Elizabeth Blackwell, "our seventy-three registered women doctors are few compared with the three thousand in the United States. Yet with the nine students in our London school and the addition of the Edinburgh classes and the fact that the Glasgow Medical college has lately opened its doors to women, clearly indicate that they opened a small grocery store on connection with the death of Mrs. Johns Second street and by close attention to there is the sad coincidence that has a large than the movement has taken sturdy growth in our country, and when our English work has been carried on for forty years there is every probability that our British woman doctors will equal numerically Our worthy townsman, Mr. N. Harris, our kinsfolk across the water."

There is little doubt but that many rsous suffer for years with ailments that could easily be cared by the use of some simple remedy. The following in-cident is an illustration of this fact: My wife was troubled with a pain in her side the greater part of the time for

There has no doubt been more lives of children saver from death in croup or whooping cough by the use of onions than any other known remedy, our mothers used to make poultices of them, or a syrup, which was always effectual in breaking up a cough or cold. Dr. Gnnn's Onion Syrup is made by combining a few simple remedies with it which, make it more effective as a medicine and destroys the taste and odor of the onion 50c. Sold by Blakeley & Houghton.

A Great Liver Medicine.
