War means not only public but private calamity. Through its means nations are convulsed and family relations severed. During the Peninsular war one of the generals, observing the numerous P. B. Sinnott, deputy United States cavalry against which his brigade had marshal for Oregon, was in the city yes- to contend, advised the officers in com mand not to weaken their ranks by con ducting prisoners to the rear, but after disarming them to let them proceed of their own accord. It was not uncommon, therefore, to see groups of French dragoons riding quietly to the rear, look ing for some one to take them in charge.

It happened, at one time, that a cer tain hussar, having taken a prisoner ordered him also to fall back, but the man, having ridden some little distance as directed, suddenly applied spurs to boose last night. They pleaded that his horse and made a detour to his as quickly pursued, overtook him and shot him dead.

Having secured his rein, he conveyed him some little distance to the rear and proceeded to take off the dead man's valise. There, on overhauling its contents, he found a letter from his own father, which proved that it was his brother who had fallen by his hands.

Stanefied with horror he sat motion less and speechless for some minutes then big tears rolled down his cheeks and he exclaimed 'The king has com manded, and God will forgive me!
