THE DALLES WEEKLY CHRONICLE, FRIDAY, JANUARY 6, 1893.

The Weekly Chronicle.

THE DALLES, OREGON

LOCAL AND PERSONAL.

From the Dally Chronible, Friday Hon. F. P. Mays, U. S. District Attorney, is in the city today.

A new case of diphtheris is reported up in the military addition today.

Be early at the experience social tosecure a good seat.

There are several cases of scarlotina our physicians.

The Columbia river at this point this forenoon registers three feet and 5-10ths above low water, and is very muddy.

Mr. E. Beck received his long looked for package from San Francisco today, and is now the happiest man about The Umatilla.

A license to wed was granted today, by Col. Crossen, county clerk, to Mr. Hugh G. Jordan and Miss Fanny Humbut of this county.

Monday will be observed as the new year holiday, and the business houses will be closed, to give all an opportunity of the new year attractions.

J. D. Flenner, spoken of in the dispatches today in connection with the office of chief clerk of the Idaho senate, was a former resident of The Dalles.

A hand of cattle brought in from the surrounding country, awaiting shipment, was transferred to Lochhead's feed yards from the Saltmarsh yards today.

The merchants and business men of The Dalles have agreed to close their ance to watch developments, and went ruary.

week in the hope of restoring the health of Mrs. Heald, who is an invalid.

ful chromo presented by Snipes & Kin- with other Indians of the Warm Springs ersly, with a weekly calendar attached for the twelve months beginning on Sunday next. Thanks.

city who intend to receive New Year calls, if they will be kind enough to favor us with them for tomorrow's paper.

The Mississippi river is frozen over solid opposite St. Louis, and all business Oregon's sea-port.

make his future home.

There will be services of the German "I don't know whether this can go or Sunday school at 2:30 p.m.

Discussing the jute sack business, and works at the Salem ponitoatiary where the convicts may be given useful employment without detriment to the free laboring classes; it is suggested that the Inland Empire, being the home of the flax plant, where it is indigenous to the soil, if an an effort was made might furnish the factory with an excellent qual-

ity of stock for sacks. The Chuonican Mosier, are in the city. would be pleased to have some suggestions on this topic. Reports come in to us that the Jack

rabbit is very numerous in this county had a white Christmas. south of this city, and that they are domorrow evening at the M. E. Church to ing a great deal of damage to the young today is damp without an umbrella. fruit trees. The ground being covered with snow, and the moonlight nights of a mild form reported in the city by gives them a fine opportunity for foraging. One person who has suffered . from the ravages of the rabbit having registers 52 deg. above zero, in the lost six acres of prune trees, suggests a war of extermination on the basts of a bounty for rabbit scalps. It is a matter

worthy of the attention of our legislators, sweet." A Washington dispatch yesterday again in Washington.
