

A New Treaty.

New York, March 11.—In a lengthy dispatch regarding the Hawaiian treaty, the Washington correspondent of a morning paper says that a gentleman closely connected with the administration is authority for the statement that the Hawaiian matter will be taken up immediately by Judge Gresham, and that a message transmitting a treaty of some kind will be sent to the senate during the present special session.

The Rush Ready.

SAN FRANCISCO, March 12.—The revenue cutter Richard Rush is lying in the stream off the foot of Clay street with fires banked and ready at a moment's notice to sail for any port she may be ordered to. The Rush is under special orders from Washington, D. C. What her destination is there is no way of telling positively, but it is more than likely that the revenue cutter is bound for Honolulu, and that besides dispatches she may take down a senatorial committee to investigate matters at the islands.

London as a Center.

The city of London is put down by geographers as the center of the landed hemisphere. In other words, a radius of about 6,000 miles on the curved surface of the earth, with London as a center, would describe a circumference inclosing more land than any 6,000 mile circle that could be drawn from any other city in the world.—Exchange.

Proposals for Bids.

Sealed bids will be received at the office of Crandall & Burget until noon March 20th, 1893, for the superstructure of a proposed dwelling to be built for W. L. Bradshaw on the northeast corner of Washington and Fourth streets, The Dalles, Or., according to the plans and specifications prepared by C. J. Crandall.

Men's Clothes.

"Men are becoming as bad as women for the adoption of strange and uncomfortable fashions in clothing," said a Fifth avenue custom tailor, "and they need dress reform preached to them almost as much as the feminine sex. Take the high collars that are in vogue, and which are worn higher than ever this fall. They almost strangle one and chafe the skin until it is sore.

Princess Kaiulani in Washington.

WASHINGTON, March 10.—The Princess Kaiulani and party, under the guidance of Mr. Davies, left the Arlington hotel at 11 o'clock. The first visit was to Corcoran gallery. The princess came downstairs and passed through the hall of the hotel, where she was regarded with considerable curiosity by the crowd assembled.

Lucky Democrats.

WASHINGTON, March 9.—The president has sent the following nominations to the senate: Josiah Quincy, of Massachusetts, assistant secretary of state. Robert A. Maxwell, of New York, fourth assistant postmaster-general. Isaac P. Gray, of Indiana, minister to Mexico.

Three days is a very short time in which to cure a bad case of rheumatism; but it can be done, if the proper treatment is adopted, as will be seen by the following from James Lambert, of New Brunswick, Ill.:

"I was badly afflicted with rheumatism in the hips and legs, when I bought a bottle of Chamberlain's Pain Balm. It cured me in three days. I am all right today; and would insist on every one who is afflicted with that terrible disease to use Chamberlain's Pain Balm and get well at once." 50 cent bottles for sale by Blakeley & Houghton, druggists.

The Guests Were Under the Table.

Sothern gave a dinner to Florence at a London club and invited him for half an hour later than any of the other guests. He said to his guests, who were eminent men in literature and politics and in the nobility: "When Florence comes suppose you all get under the table? He'll think his lateness has caused you to leave." So when Florence was announced all except Sothern got under the table, and the tablecloth hid them from sight. As Florence entered he saw Sothern alone and said: "Has nobody come yet?"

"Oh, yes," said Sothern in a loud voice. "They've all come. And as soon as you were announced they hid under the table, though why the deuce they did it I can't imagine."

One by one the guests crawled out, looking red and ashamed.—New York Sun.

Good Looks.

Good looks are more than skin deep, depending upon a healthy condition of all the vital organs. If the liver be inactive, you have a bilious look, if your stomach be disordered you have a dyspeptic look, and if your kidneys be affected you have a pinched look. Secure your health and you will have good looks. Electric Bitters is the great alterative and tonic acts directly on these vital organs. Cures pimples, blotches, boils and gives a good complexion. Sold at Snipes & Kinersly's drugstore, 50c per bottle.

—Dr. Pierce's Favorite Prescription. It's as peculiar in its composition, as in its curative effects, in all the diseases and disorders that afflict womankind. It's a legitimate medicine—an invigorating, restorative tonic, a soothing and strengthening nerve, and a positive remedy for female weaknesses and ailments. All functional disturbances, irregularities, and derangements are cured by it. There's nothing like it in the way it acts—there's nothing like it in the way it's sold. It's guaranteed to give satisfaction in every case, or the money paid for it is promptly refunded.

Read the guarantee on the wrapper. You lose nothing if it doesn't help you—but it will.
