White Salmon Items.

WHITE SALMON, June 12, 1893. The fifth annual session of Washington State Grange is numbered with the events of the past. It is conceded by all who attended that it was one of the best sessions ever held in the state. We renewed old pledges, formulated new ones, thereby uniting one and all in a deeper, broader brotherhood and sisterhood of humanity. I cannot describe the grand good time we all had, from first to last. Many good resolutions

will be elected tomorrow evening at the

Much has been said of late in the columns of our local papers, regarding the sweet climing of the cow bells, by our fellow citizens in the bluff addition, but the cutest thing relative to bells came out last evening about 6 o'clock, when a little tender hearted maiden, who answers to the name of Hazel, was observed a number of times to run from Union street and conceal herself in the alley between 9th and 10th streets, evidently watching for sometime startling nature. Upon being interro-gated regarding the suspicious move-ments, she replied: "I'm afraid of that thing" (pointing to the new and elegant fire bell recently erected for the Mount Hood Hose Co). "Why are you afraid the difficult of the treets and additions to the city, or the streets and additions to the city or the streets and additions to the city, or the str dently watching for something of a number of older people on the bluff, who perhaps don't know how to appreciate a good thing when they see it, that have been affected in the same manner as OBSERVER. this little girl.
