edge of the laws of meteorology has kept Indiana Will Mark the Grave of Governor Jennings.

> Remarkable Character of the First Chief Executive of the Hoosier State-His Fight Against Slavery-Ruined by Drink.

The late session of the Indiana legislature made an appropriation of \$500 for the purpose of creeting a monu ment at the grave of Jonathan Jennings, the first governor of Indiana, that the day would be stormy and untit and the citizens of Charlestown and Clark county have swelled the original amount appropriated by private sub-scription until the monument fund has reached a respectable figure.

Jonathan Jennings was one of the remarkable men of Indiana. He was born in New Jersey in 1784, removed to Pennsylvania, and while young came afternoon, was sufficiently favorable to down the Ohio river in a flatboat and settled at Jeffersonville, where he commenced the practice of law. Soon after he was made clerk of the territojust to Mr. Pague to state that, under first territorial delegate to congress in his administration, a marked improve- 1809. Although a democrat young Jennings was bitterly opposed to the extension of slavery, and through his efforts more than those of any other Ask your dealer for Mexican Silver man Indiana was admitted to the union as a free state in 1816. At the first as a free state in 1816. At the first constitutional convention held in Coryden in 1816 Jonathan Jennings was elected president of the convention nounced himself a candidate for governor of the new state. Atthe August election of 1816 he defeated Thomas Posey, the then territorial governor, receiving 5,211 votes, his Jeunings

Two years later Gov. Jennings was appointed by President Monroe a commissioner to negotiate a treaty with look about your eyes and make them the Indians, and after a bitter legal bright, and will cure headache from contest he held the office of governor elected to congress. He served four terms in the lower house of congress and was defeated for a fifth term by Gen. John Carr. On retiring from congress Mr Jennings removed to his farm near Charlestown. The ex-governor's

residence was a large double log-house. situated two and a half miles west of this village, surrounded by several hundred acres of fertile blue grass lands. Here he entertained the leading politicians of Kentucky and Indiana in that hospitable manner for which he was noted. He owned a large still house and mill, situated on his estate. and kept a number of servants, although he was a very plain man, fre-quently being taken by strangers for

one of the ex-governor's servants. The convivial habits of that period soon claimed him a victim, and it is recorded that his political career was cut short by his uncontrollable desire for drink, his warmest friends voting against him in his last race for congress. He was twice married. His first wife was a Miss Hay, a member of one of the oldest and most prominent families in Charlestown. He was married a few years before his death to Miss Clarissa Barbee, of Lexington, Ky., and James K. Sharp, an old gentleman residing here, who as a boy lived with Jennings during the last year of his life, speaks in glowing terms of the ideal homelife of the exgovernor and his second wife, even the governor's convivial habits causing no ripple on the sea of domestic

The ex-governor was taken ill in July, 1834, and on the 26th of that month he passed away, surrounded by his family and many devoted friends The pext day the remains were placed in a common farm wagon and taken to the little cemetery, situated on a high hill in the western part of Charlestown, and there interred. The grave will soon be marked by a monument of Vermont granite.

The old house in which Gov. Jennings and Miss Barbee were married and where the governor held his first reception still stands on acorner o fone of Charlestown's pretty streets after having stood the ravages of nearly a

His Appearance Was Timely.

"May I ask you, madam," inquired the gentlemanly caller at the front door, removing his hat, "if there has been a large and successful cooking school in this neighborhood for some weeks?"

"There has," replied the lady. "Some member of your family has been in attendance, perhaps," he ventured.

Yes. Two of my daughters attend

"Ah!" rejoined the caller, pleasantly. "A good cooking school is one of the adjuncts of an advanced civilization. I am always interested to notice the advance of a community in the knowledge of the gentle arts and sciences that go to make up the sum of human happiness. But I have allowed myself to forget the business upon which I have ventured tokall," he continued, briskly, opening a small valise. "I am introduc-Ing a small but comprehensive work, entitled: 'The Horrible Curse of Dyspepsia and Indigestion; How Cared and How Removed.
