Verdict of Coroner's Jury.

The body of Wm. R. Taffe showed slight braises and cuts, such as might have been made by contact with rocks or drift, but there were no fractures. The verdict of the jury was Ithat Wm. B. Taffe was accidentally drowned from a beat on Sunday, the 23d inst., while coming from Grants to Celifo.

INDIAN BULLETS.

Hert Sturgis, Near Mosler, Narrowly Escapes Being Killed.

Mosler last week by the bad aim of an Indian, and it was really too close to be comfortable to the intended victim; Bert Sturgis, a boy about 14 years old. son of Dan Sturgis, was out hunting Mr. Coatsworth and family left this cows in the afternoon, when a strange Indian rode by and, after exchanging a C. B. McKinstry, a former partner of few words, rode away. When about 150 B. S. Huntington, is now cashier of a bank in Sutherland, Neb. heavy revolver and fired a 44-caliber bullet at the boy, not waiting to see the effect of his shot, but riding away as if for life. The boy was equally as fleet and ran homeward as fast as his horse could go. Arrived at his father's an examination was made, and it was found that two bullet holes had been made in the opposite sides of a straw hat he was wearing about an inch below the crown. The Indian was a stranger, as the boy is familiar with the faces of those living near home. This is the second attempt made by Indians to kill a boy in the vicinity of The Dalles. A third attempt may be successful.

A large number of people availed themselves of the opportunity presented Saturday of visiting the various school rooms of the city. A reporter of THE CHEONICLE found them in probably the best shape they have ever been. Eleven rooms altogether are newly papered with an attractive pattern, the floors oiled, the desks varnished, the ceilings C. H. Chandler came up from Port-land today, and will be the guest of C. and it is safe to say that when the pupils assemble at the fall tern, they will Amos Root and George Sellinger and scarcely recognize their old haunts. Many parents expressed themselves scarcely recognize their old haunts. agreeably surprised at the excellent and painstaking work done by the school directors, and Janitor Wm. Glasius comes in for a fair share of praise for having so neatly papered all the rooms, as he does not claim to be a professional paper hanger.

Counterfeit Half Dollars.

We were shown a counterfeit half dollar which is so fine a piece of workmanship that unless one is on the lookout, C. R. Bone arrived from Hood River is liable to be loaded. The half we saw was of an 1892 imprint, and one defect noticeable is on the milling edge, which is imperfect in one place. It is also a trifle light in weight. The ring of the metal is fair, and would not particularly arouse suspicion of its genuine-
