While repeal would not bring parity, it would tacilitate it by bringing that newfangled monetary theory-gold monometalism, begotten in the embraces of ignorance with rapacity-at least to an unequivocal crucial test. The permanent remedy for our financial difficulty was to return to the bimetalism that existed prior to 1873. Hill favored as proposed in the pending bill. White Men Want Work.

SAN JOSE, Cal., Aug. 25 .- A meeting was held last evening in Saratoga to consider the question of employing white labor in lieu of Asiatic. A committee reported there were over 200 white men in San Jose willing to work and an increase of national bank circulation that all the orchardists seem willing to give employment to whites. One orchardist near Saratoga is said to have been annoyed by tramps; but since the officers have segregated the laborers and tramps a decided change of feeling has taken place, and there is now a great demand for white laborers at \$1 a day and board. A labor bureau has been established, and the total number registered up to yesterday was over 800, but a large number of these have found em- tively cures piles, or no pay required ployment since the book was opened.
