According to a disciple of Mrs. Willrams, there will be an ascension some of these days that will be a startler. Her followers, located to various parts of the ... city, says the Telegram, are daily working on their new white, robes, which are made something like a Mother Hubbard with wing attachments and their slippers are also made of white material. The disciple further stated that this ascenhad long been anticipated, that they were prepared for it, and that their sect would just as surely go up bodily at the proper time as the sun would shine.

A New Barley.

A valuable new barley is the Egyptian variety. It yields more to the acre, at the same time being richer and making better feed. It is superior for soup and when ground and treated like corn meal, makes bread impossible to distinguish from corn bread. Call at THE CHRONICLE office and see sample. A limited quantity of seed can be obtained for a dollar a bushel.
