Republicans Will Have a Majority in the House.

WILSON IS LEFT AT HOME

Bill Beaten Out of Sight—Maryland Returns Republicans to Congress—No Does Tennessee.

The Republicans Will Have Control of the Next House.

WASHINGTON, Nov. 6.—At 11:30 o'clock tonight Mr. J. B. Bailew, the chairman of the republican congressional committee, telegraphed Mr. Apsley, the vice-chairman of the committee, at Boston, as follows:

"The returns from the congressional districts are yet incomplete. We have carried 24 districts in New York, three in West Virginia, three in Connecticut, three in Kentucky, defeated the free-trader, Johnson, in Ohio, and Wilson, in West Virginia, and I could estimate that we will control the next house by a much larger majority than the committee has predicted. We have carried Wisconsin by not less than 25,000 majority, and with eight members of congress. The reports received up to date indicate uniform republican gains. I estimate that we will control the next house by 25 majority. My returns thus far have been very meager, but all the indications point to a larger representation. I figured on only 20 members in New York, but shall have 24 at least. My estimate included one republican from Kentucky. It now looks as if we would have three from that state. I claimed two republican members in Connecticut. A dispatch from Mr. Benson, the chairman of the state central committee, tells me that the republicans have carried all four of the Connecticut districts. I am assured that we have elected 13 congressmen in Massachusetts, where the committee's greatest claim was 11. In Ohio we have exceeded our estimate, and from present appearances the results will be still more encouraging. In Wisconsin I estimated the election of seven republicans, but shall have eight. I made no calculations on securing representatives in Maryland, but my advice is that we have elected two. So it is going all along the line. From the limited intelligence received at headquarters, I am certain that Mr. Wilson is defeated."

Manley to Bailew.

NEW YORK, Nov. 6.—J. H. Manley, chairman of the republican national executive committee, has sent the following telegram of congratulation to the Hon. R. W. Bailew, chairman of the republican congressional committee:

"I heartily congratulate you on the result of your labors. Our victory is perfect and complete from Maine to California. The result in New York is the grandest victory of all. We have laid this day a solid foundation upon which to erect in 1896 the structure of a national victory for protection and prosperity."

Senator Harris Robbed.

MEMPHIS, Nov. 6.—Senator Harris, who was killed to speak at Bolivar, Tenn., yesterday, arrived Sunday night and took rooms at the Bolivar hotel. About 1 o'clock he retired, hanging his vest on a chair in the room. In the pockets of his vest were a gold watch, valued at \$185, and \$65 in coin. Senator Harris did not lock the door to his room. When he arose this morning he found the watch and money missing. A stranger, who occupied a room above the senator's, is suspected. The stranger left during the night without paying his bill.

The New Chinese Loan.

LONDON, Nov. 6.—The new Chinese loan is well received on the London market. The consensus of opinion in banking circles is that a much larger amount would have been subscribed if it had been a 4 or 4½ per cent gold loan.

Two Americans Arrested.

LONDON, Nov. 6.—Yokohama dispatches say that the steamer Sydney has been allowed to leave Kobe where she has been detained and searched for articles contraband of war. Two Americans, passengers on the steamer, were arrested. A dispatch from Kobe to the same agency says the first Japanese army has reached a port above Taten Wan and established communication with the second army.

Chinese in a Panic.

LONDON, Nov. 6.—A Shanghai dispatch says: The Chinese army has been thrown into a panic by Japanese victories, and are still fleeing before the Japanese. The Chinese troops in Man-

churia are robbing the natives and committing horrible atrocities wherever they pass. The Japanese, on the other hand, are treating the Chinese well, and are consequently received with open arms. Viceroy Li Hung Chang, the dispatch also states, has been ordered to Peking.

What Singery's Paper Says.

PHILADELPHIA, Nov. 7.—The Record, of which Colonel William M. Singery, the democratic candidate for governor, is the proprietor, says:

"Pennsylvania is a republican state, but the energy of its republicans yesterday was something magnificent. Evidently the voters have carried to the account of the democracy all of the ill fortune that has befallen the country as the culmination of republican misrule, and we suspect there may be hidden under the pile of adverse majorities an A. P. A. reminder. He is a poor soldier, however, who complains of war, and those only who know how to accept defeat with composure are capable of moderation and justice when victory arrives. In Pennsylvania the election yesterday was a farce. The fraudulent registry lists are fully represented in the fraudulent count. There is probably an honest republican majority of 2,000 votes. The rest is padding."

Relations of England and France.

PARIS, Nov. 6.—Le Matin today published an article by Sir Charles Dilke, on the relations between Great Britain and France, in which the writer asserts that the difficulty existing between the two nations with regard to Newfoundland faces England rather than France. Sir Charles expresses regret over the warlike attitude assumed by the French government toward Madagascar. He believes France could obtain all she was entitled to under pacific means.

A Candidate Shot At.

SAN FRANCISCO, Nov. 6.—C. E. Ayer, candidate of the people's party for assessor, in this city, was shot at by an unknown man near his residence early this morning. Ayer says he received an anonymous letter yesterday, telling him to withdraw from the fight for the assessorship, or he would suffer. The would-be murderer escaped. Ayer was not hurt.

Steamship Fires Extinguished.

SAVANNAH, Nov. 6.—The fire on all the cotton steamships here was extinguished this morning. All is quiet today. The watchmen on all ships where the fire occurred have been arrested. An investigation shows traces of phosphorus everywhere. The belief is general that it was spread by the longshoremen recently on a strike. Loss by the fires, \$50,000.

Killed by Falling From a Train.

TOPEKA, Nov. 6.—George F. Simonds, of Plymouth, Mass., en route to Los Angeles, Cal., subject to fainting spells, was killed last night by falling from a Santa Fe train at Seranton, a few miles west of Topeka. He had an accident policy for \$2,000.

Blessings for Princess Alix.

ST. PETERSBURG, Nov. 6.—A proclamation has been posted announcing that Princess Alix has been received into the orthodox church. The proclamation enjoins the faithful to supplicate God's blessing on the new czar and his betrothed.

Explosion in a Seminary.

FORT WAYNE, Ind., Nov. 6.—By an explosion of sewer gas in the basement of Westminster seminary, a young ladies' college, in this city today, Clara Diobold was fatally burned, and Edith Masters seriously. They were servant girls.

Attack on Fort Arthur.

LONDON, Nov. 6.—A Shanghai dispatch says that an attack is now being made on Port Arthur by Japanese torpedo boats, and it is expected that Taiten Wan will be attacked during the day.

Killed by a Deputy Marshal.

WHITE PLAINS, N. Y., Nov. 6.—Walter W. Booth was fatally wounded in an election row at Elmsford today. He disputed with a deputy United States marshal, who shot him in the groin.

Jerry Simpson's Defeat Probable.

WICHITA, Kan., Nov. 6.—The Eagle claims that Long, republican for congress, is elected by 1,000 plurality over Simpson, populist, and that the state has gone republican by 10,000 plurality.

Killed in an Election Fight.

LEXINGTON, Nov. 6.—In an election fight last night, John McConley stabbed Dick Travis, who died this morning.

Fire at Oroville, Cal.

OROVILLE, Nov. 6.—At 10:40 this morning a fire alarm was given. Two unoccupied houses were burned. It was started by tramps. Loss light.

The Madagascar Expedition.

PARIS, Nov. 6.—Figaro says the first credit asked from the government for the prosecution of the Madagascar expedition will be 78,000,000 francs.

WAS A CLEAN SWEEP

Republican Majorities Seem Phenomenal.

GROWING LARGER ALL THE TIME

Chances for His Election as Governor of California—Sutro Elected Mayor of San Francisco.

WASHINGTON, Nov. 7.—The loss of Kansas, New Jersey and South Carolina reduces the present democratic total in the senate from 44 to 41. The present republican strength in the senate of 38 promises to be increased by senators from New Jersey, Kansas, Montana, Washington and Wyoming, the last three being vacancies. The republicans are likely to lose Nebraska. This makes a gain of five and a loss of one, or a net gain of four, raising the republican total to 42. The populists now have three senators. The returns indicate for them in South Carolina and Nebraska, making their total five. Senators Jones and Stewart, of Nevada, have late affiliated with the populists, so the populist strength may be increased and the republicans decreased by two. An estimate of the next senate by Chairman Bailew gives the republicans 44 out of 88 senators. He counts upon Peffer's co-operation to organize.

The Next Senate.

WASHINGTON, Nov. 7.—Chairman Bailew, of the republican congressional committee, claims the republicans will organize the next United States senate. His information is that the Tennessee legislature will send a republican to succeed Harris. Bailew also had a dispatch stating, Denny, republican, in the seventh Kentucky district, is elected by 225. This is Ashland district, formerly represented by Breckinridge.

A dispatch from Chairman Holman, of the South Carolina state committee, and Congressman Settle says: "We have carried the state if we can hold it."

Senator Faulkner, chairman of the democratic congressional committee, concedes the house to the republicans by 66 to 70 plurality. The senate will not be republican, he says, unless that party carries Tennessee, which is still uncertain, or unless Senator Peffer votes with the republicans.

New York, Nov. 7.—Returns indicate the republicans will gain a United States senator in each of the following states: Montana, Washington, Wyoming, Kansas, New Jersey and West Virginia.

The Next House.

WASHINGTON, Nov. 7.—The republican congressional committee has given out an estimate claiming that in the 54th congress the republicans will have a majority of the delegations of 30 states, the democrats 12, and the populists 1, with Maryland divided evenly, giving the republicans more than a two-thirds majority by states should the next presidential election be thrown into the house.

The Figures Still Growing.

NEW YORK, Nov. 7.—A survey of the returns this morning confirms the hasty estimates and partial returns of last night in the West, Northwest and of the Pacific coast. The republican landslide is overwhelming, and republican gains in the Southwest are of such magnitude as to suggest almost a revolution. Ohio has given the largest republican majority in its history. It is thought the official returns will show a plurality of 140,000 to 150,000. Wisconsin has elected a republican state ticket and nine out of ten congressmen. In Illinois the democrats are crushingly defeated, the state going republican by from 40,000 to 50,000 plurality. The congressional election is almost solidly republican. Indiana is republican by from 20,000 to 25,000 plurality.

Admiral Gherardi Retired.

WASHINGTON, Nov. 7.—Secretary Herbert has issued a formal order retiring Admiral Gherardi, senior admiral of the navy, and commandant at the navy-yard, on the 10th inst. The following details are also made: Superintendent of naval academy, Captain Philip Cooper, now in command of the United States ship San Francisco. Cooper is one of the youngest captains. The secretary expects to detail Admiral Walker to the lighthouse board to succeed Admiral Greer, who will shortly retire. Commodore L. H. Pythian has been detailed as superintendent of the naval observatory, to relieve Captain McNair, Captain McNair to be on the examining and retiring board. Captain Allan V. Reed to command Portsmouth navy-yard. Captain H. M. Shepard to command the San Francisco, Captain H. F.

Picking to command the Minnesota. Commander C. S. Norton to command the South Atlantic station.

California.

SAN FRANCISCO, Nov. 7.—Returns received in this city up to 8 a. m. do not materially change figures sent out at 3 o'clock. Budd, democrat, for governor, still leads by nearly 7,000 votes in San Francisco. Chairman Gould, of the democratic state central committee, estimates his plurality will be over 12,000, which will be sufficient to elect him. All indications point to a smaller vote for Eates, rep., in the interior than was expected. Republican managers concede the city to Budd, but are hopeful that the country vote will be large enough to overcome Budd's plurality. Budd's associates in the state fight appear to have been sacrificed in his interests. In this city they are behind the head of the ticket, and the interior returns indicate a similar condition. It is apparent that the republicans have elected six or seven congressmen, Maguire in the fourth district being the only democrat who will represent California in the next congress. He leads his republican opponent, Shannon, by about 4,000 votes. Returns indicate that the next legislature will be republican by a big majority.

At 11 o'clock this morning Chairman Cornwall, of the republican state central committee, was seen at headquarters, and when asked to give an opinion as to the outlook in the state, said that the returns were coming in so slowly and were so conflicting that it would be impossible to give anything like a definite statement until tonight or tomorrow morning. The count in this city had reached such a stage, however, that the indication favored the election of Budd, dem., for governor. Mr. Cornwall was of the opinion that the remainder of the democratic state ticket would be defeated. He said the legislature would be certainly republican, thus insuring the return of a republican successor to Senator Perkins. The republican chairman was also equally certain of the election of six out of seven congressmen in the state. He said that the principal fight had been made on the election of the republican candidate for congress, and he considered altogether that the state had done its duty to the republicans.

Half of the city vote counted by noon gives Budd 6,500 plurality. Temple, dem., and Henshaw, rep., for supreme justices, are several thousand ahead in this city.

Seventy-three complete precincts in the first congressional district give Barman, rep. 3,599, Geary dem. 3,219, Grigsby pop. district give Johnson rep. 4,680, Caminetti dem. 3,449, Cornell pop. 2,312.

The populists claim the A. P. A. movement put them in bad shape. Around headquarters talk is going on that Webster will get 10,000 votes in this city, but if the A. P. A. had not put in an ear it would be twice as much. The populists concede that the next legislature will be republican.

In the mayoralty count in this city, Sutro pop., is forging ahead, and it is estimated he will have a plurality of between 10,000 and 15,000.

Eighty-three complete precincts in a total of 242 in the third congressional district, give Hilborn rep. 4,029, English dem. 3,900, Vance pop. 2,056.

One hundred and twelve complete precincts in a total of 292 in the sixth congressional district, gave McLacklan rep. 6,079, Patton dem. 4,500, Bowman pop. 3,730.

One hundred and seven complete precincts in a total of 479 in the seventh congressional district, give Bowers rep. 4,573, Alford dem. 3,284, Gilbert pop. 2,841.

Gompers Writes to Cleveland.

NEW YORK, Nov. 8.—The Sun says President Samuel Gompers, of the American Federation of Labor, sent the following telegram to President Cleveland yesterday:

"Without much concert of effort by organized labor, the people have measured at the polls your assumption of the unconstitutional and unwarrantable use of the military power to crush labor. Though the changes may benefit us little, the rebuke will nevertheless be appreciated and remembered."

A Contest From Louisiana.

NEW ORLEANS, Nov. 8.—Full returns today confirm the election of all six democratic candidates for congress. The Louisiana sugar planters are understood to have had spotters in three sugar districts. The republicans are hopeful of getting Beatty, Kerloch and Coleman seated.

Pittsburg and Allegheny County.

PITTSBURG, Nov. 7.—At midnight the returns indicate that Allegheny county has a republican majority of 4,000. Pittsburg gives 17,000. The indications are that every congressman in Western Pennsylvania elected today is a republican.

SCATHING WORDS FOR CLEVELAND

Sutro Undoubtedly Elected Mayor of San Francisco—Republican Gains in Missouri—Solid South Broken.

LOUISVILLE, Ky., Nov. 8.—In today's Courier-Journal, under the head, "Have We a Democratic party?" Mr. Watterson says:

"Never did a great party go to the people under such handicaps as were carried by the democrats into the campaign just ended. The hard times were bad enough, but they might have been parried. Faction fights among small claimants and rival place men were bad enough, but parties have met and overcome such obstacles before now; but with the record of perfidy and dishonor, as Cleveland aptly described it, to face and defend in a hand-to-hand fight with the united republicans, led by Harrison, McKinley and Reed, it was disheartening for the democrats to have to face also the dull self-sufficiency and stolid indifference of an administration that made no sign, uttered no word, and at least in the state of New York, seemed to desire to defeat the regular democratic nominees. The battle for tariff reform will have to go down to the foot and take a new start. The battle over the money issue will soon be upon us. We shall see if there is democracy enough left of the true-blue stripe to make a greatcoat good against all weather, or whether we must still wear a coat of many colors, covering not a homogeneous party inspired by faith and trust, but a mere bundle of factions thrown together by the upheaval of the times."

Ambassador Bayard Says It Was Delay in Passing a Tariff Bill.

BALTIMORE, Nov. 8.—Ambassador Thomas F. Bayard said today: "I had great apprehensions as to the result of the recent elections for some time. I don't want to run afoul of these gentlemen responsible for the delay in passing the tariff bill, but the patriot's duty is unmistakable. The necessity for pure democratic tariff legislation was never so great as it is now. Bills for free raw material should be passed immediately and then the country would be able to contemplate the democratic idea of the tariff in full working order for two years before the national election rolls around. If this is done I have little fear the verdict will be unsatisfactory in 1896." Ambassador Bayard sails for England next Saturday.

The Tariff Blamed.

LONDON, Nov. 8.—The Pall Mall Gazette, commenting on the election in the United States says: "The failure of the democrats is due to the action of the senate on the tariff question, 'but,' the Gazette adds, 'the country has been carried away by its general and indiscriminating indignation.'"

A New York Estimate.

NEW YORK, Nov. 8.—Latest returns show that the next house will stand 234 republicans, 117 democrats, 5 populists. The republicans will have a majority of 117. At present the democratic majority is 54. Every prominent democrat in an Eastern state has been defeated. The Solid South is broken. West Virginia elects four republican congressmen; Maryland, Kentucky, Virginia, North Carolina, Tennessee, Missouri, Delaware, and even Texas, elected one to seven republican congressmen. Michigan, Iowa, Indiana, Connecticut, New Jersey and Kansas send solid republican delegations to congress. Morton's majority in New York will be over 150,000. The populists were beaten in all their strongholds, with the exception of Nevada. The republicans recaptured Kansas by a large majority. Waite, populist, of Colorado, for governor met with a crushing defeat. The Montana republicans have a majority of the legislature, which insures the election of two United States senators. New Jersey will have a republican legislature, and a democratic United States senator will be succeeded by a republican. In Illi-

noise the republicans got everything in sight, and will also elect a United States senator. Pennsylvania republicans elect 28 out of 30 congressmen. In Nevada, Newlands, the silver party candidate, is conceded to be elected, as is also Jones for governor. In every other state the republicans have elected a majority of all officers.

Republicans Won, But Are Afraid of Losing Their Victory.

WASHINGTON, Nov. 8.—Chairman Bailew, of the republican congressional committee, received the following letter today from A. E. Holton, chairman of the republican state committee of North Carolina:

"We won a complete victory at the polls here yesterday. We elected the judicial ticket by estimated majorities of over 40,000, and have both branches of the legislature, with four republican and three populist congressmen. A fight will have to be made tomorrow before the county canvassing board. It will be necessary for us to employ counsel to appear before the canvassing boards in many counties. The democrats say they have given up the state, but our best information is that they will appear before the boards tomorrow prepared to do all in their power."

Chairman Bailew has instructed Holton to employ all the counsel necessary to protect the republicans' rights. Chairman Bailew now estimates that there will be 255 republicans in the next house.

Vote for Greater New York.

BROOKLYN, Nov. 8.—According to figures received thus far at the police headquarters, consolidations, as far as Brooklyn is concerned, has been lost by about 100 votes. Counselor Shanks, secretary of the Consolidation League, claims, however, consolidation has been carried by a small majority. It will make no difference whether the vote is found to be in favor or against, as the matter will have to go to the legislature in any event.

Plenty of Contests.

WASHINGTON, Nov. 8.—The indications are the 54th congress will open with numerous contests for seats in the house from the Southern states. Reports received at the republican headquarters make it plain that unless there is a change either of mind or conditions there will be at least three contests in Louisiana, one or two in Virginia, some in North Carolina and Tennessee, with a possibility of contests in Alabama, Kentucky and Arkansas.

Tennessee's Governor in Doubt.

NASHVILLE, Nov. 8.—The election for governor has not been yet definitely settled. The republicans claim the election of Evans by 15,000 majority, while the democrats claim Turney's election by 5,000 to 7,000.
