LOCAL BREVITIES.

Saturday's Daily.

The weather bureau reports for tomorrow rain and stationary temperature.

The air this morning was as balmy as spring, in spite of the foot-and-a-half of snow.

Don't forget that Harris is making a clearance sale and goods are down to cost, or below it.

The ice gorge that has blocked the river here for the past week, moved out this morning. The warm weather, aided perhaps by a slight rise in the river, gave it a start in the right direction.

Last night in spite of the rain several parties were out sleighing. It looked odd to see the fiery steeds dash by to the music of the bells, while the gay riders sported umbrellas and a do-you-catch-on-to-the-style-of-us smile.

The driver of the Prineville and Mitchell stage reports the snow as all gone the other side of the Deschutes. The ground though is frozen, and the melting snow instead of going into it, is carried away and every little stream is bank full.

C. J. Crandall is superintending the work of changing the partitions in the Schanno building, and has the work nearly completed. It will be some time before Mr. Harris gets his goods moved into the new addition, but when he does he will have one of the handsomest stores in the city.

The Umzooee Whist Club was entertained Thursday evening at the home of Mrs. Wilson. After the young people had decided who had the most points at whist, the chairs were pushed back and an impromptu dance was held. The next meeting will be held Friday evening.

The young people's literary society will resume their regular meeting next Monday evening. The regular program will be gone through with. Quotations from Hamlet. It is hoped there will be a large attendance and many new members enrolled. The meeting will be held in the Methodist church basement.

Monday's Daily.

The regular Wednesday evening dance given by the Union Dancing club, will not be given this week.

We are requested to announce that "There will be a dramatic entertainment at Wamic, on the evening of Feb. 2d. The program comprises 'The Dutchman's Ghost,' author unknown, and 'King Richard III,' by William Shakespeare. Music for the tragedy will be furnished by the Woodcock orchestra. Admission, free."

Ray McKinsey, a 14-year-old boy working for Mr. John Waters of Mosier, was perhaps fatally gored by a heifer while feeding her in the stable Saturday. She thrust her horn through the boy's neck, near the jugular vein. Dr. Morgan of Hood River happened to be near at hand and took the boy to Hood River, where everything possible was done for him. The wound is a very severe one and may result fatally.

Tuesday's Daily.

The ladies will be pleased to learn that Mrs. Phillips expects to go to San Francisco soon to purchase a stock of millinery.

Grand exhibition drill and ball by Co. G, O. N. G., at armory first and third Wednesday of each month. Admission, gents 50 cents; ladies free. 15-2t

The lower house of the legislature was organized yesterday, C. B. Morris of Marion, was elected speaker, Ralph E. Moody chief clerk, A. J. R. Snyder of Folk, journal clerk; George R. Hughes of Washington, reading clerk; Harry T. McClellan calendar clerk, M. L. Wilmut sergeant-at-arms.

A meeting of the members and attendants of the Congregational church will be held this evening, at 8 o'clock, in the church building. Questions of vital importance will come up for settlement and it is desired that every friend of the church, whether a member or not, will be present.

Tom Ward was out this afternoon with a big sleigh drawn by four black horses, and loaded with some of the very handsomest young gentlemen in the city. Tom himself was wrapped in an immense fur overcoat, and his beard and tout ensemble, whatever that is, was topped out by a four story hat. He was the happiest man in the state, not even excepting Jonathan Bourne.

The recorder's court had considerable business today. There were three Richard Does, charged with imbibing too freely. Not being able to negotiate their

signs, though good liquidators, they are doing time. There was also one case before the court in its capacity of justice of the peace, a young man named Aiken being tried for assault and battery. The case grew out of a snow balling scrape, Mr. Matthews being the party injured. Mr. Aiken was fined \$30, which he paid.

A FIRST-CLASS COMPANY.

The Judgment of All Who Heard French and his Talented Co. Last Night.

The "Golden Giant" at the opera house last night was beyond question the best play that has been on the boards here for a long time. We have had so many troupes of at least medium talent that our people have grown chary about patronizing them. This was shown by the light attendance last night. We want to say right here that those who miss seeing "Davy Crockett" tonight and "Phoenix" tomorrow night, are going to miss a genuine treat. The company is a first class one and their acting last night was superb. This is not the statement of some far away newspaper but the assertion of everyone who attended the play last night. Mr. French as Jack Mason was perfect and so was his support. It is quite certain that those who saw the "Golden Giant" last night will be in their seats early tonight to see the curtain rise on "Davy Crockett."

The way to have good actors visit us is to patronize them when they do, and tonight everyone who appreciates a good clean play and first-class acting should see this talented company. Reserved seats at Blakeley & Houghton's, and if you take our advice, you will fill one of them.

Scouring Mill Matter.

Pursuant to call quite a number of our business men met at the courthouse Saturday evening to hear Mr. Shaw's proposition concerning the location of a scouring mill here. After his proposition had been made, the meeting organized by electing Hon. Robert Mays chairman.

On motion a committee, consisting of Messrs. Nolan, Moody, Brogan, Kelsay and Schanno, were appointed by the chair, after which, on motion, Mr. D. M. French and the chairman were added to the committee.

The meeting then adjourned, subject to the call of the committee, which remained to have a consultation with Mr. Shaw.

Mr. Shaw's proposition is a fair one. He asks as a bonus the mill site and a building, which will not cost over \$4,000. He asks additionally the loan of \$20,000 for five years at 10 per cent, the loan to be secured by the mill and plant and \$17,000 worth of other property. For this he puts in a scouring mill and a two-set woolen mill.

A Scouring Mill.

There will be a public meeting at the court house this evening at 7:30 for the purpose of discussing the proposition of Mr. Shaw to erect a scouring mill here. It is of the utmost importance that manufacturing industries be inaugurated here, and every citizen should attend the meeting. Mr. Shaw will make his proposition, and that there may be no misunderstanding concerning it, every man should hear it for himself. As we understand Mr. Shaw's proposition, it is an unusually fair one. Besides, it is not only the scouring mill, but as one industry naturally leads to another, in encouraging it we are paving the way for others equally as important. The past few months has witnessed the building of a cannery and a cold storage plant is being perfected. The assurance of a scouring mill would round out the winter's improvements in good shape, and if we will develop a little energy and public spirit we can see this accomplished.

John Rein Shoots Himself.

About 6 o'clock Saturday evening, John Rein, a farm hand residing in Sherman county, shot himself in the stomach. The act was committed in the street near Skibbe's hotel. When first found he stated that he shot himself intentionally, but after being carried into Skibbe's hotel he stated the shooting was accidental. He was very drunk at the time and had been so nearly all day, and the chances are that he does not know how or why he shot himself, but as he was too drunk to sit on his horse, it is easily seen that he was too full to monkey with a loaded pistol. There is a bare possibility of his recovery, but the chances are decidedly against him.

Mr. Mays Not a Candidate.

Ex-United States District Attorney Mays yesterday stated that he is not and has not been a candidate for United States senator. Those who have been using his name in that connection, he says, have no authority, and he is surprised to learn that he has been mentioned in that connection. He has had no notion of entering the lists. The first he knew of it was when he saw it in the Oregonian. Mr. Mays is not a resident of The Dalles, but of Portland, and he is devoting himself to his profession—not politics.—Oregonian.

Council Meeting.

The council met Saturday night at 7:30 pursuant to adjournment, Mayor Bolton and the five councilmen being present. The claims laid over from last meeting were all allowed.

On motion of Johns, seconded by Hood, council proceeded to the election of a councilman for the Second ward, to fill the vacancy caused by the death of Thos. N. Joles. Thereupon Councilman Nolan introduced the following resolution:

THE DALLES, Or., Jan. 3, 1895.

"WHEREAS, The death of Thomas N. Joles has caused a vacancy in the office of one councilman for the Second ward of Dalles City; and

"WHEREAS, The financial condition of Dalles City is such as to demand the harmonious and united action of a full council, therefore be it

"Resolved, That in accordance with the precedents established by all councils existing under the present charter, it requires the vote of at least four councilmen to fill the vacancy caused by the death of our esteemed colleague."

Mr. Nolan then moved the adoption of the resolution, which motion was seconded by Councilman Laner, and a roll-call was demanded. Thereupon the roll being called the result was as follows: Ayes—Nolan, Laner; noes—Hood, Eshelman and Johns. The vote being announced, Councilmen Nolan and Laner retired, and the council being without a quorum adjourned.

How Grazir Died.

In the matter of the inquest upon the body of P. R. Grazir, deceased:

We, the jury empaneled to inquire into the cause of the death of P. R. Grazir, who died Friday morning, Jan. 11, 1895, at the residence of W. L. Hendrix, do find as follows:

That said deceased was about 34 years of age and was unmarried. That the cause of his death, to the best of our judgment, was through an accidental fall from a building on Tuesday, January 8th, which caused a rupture and thereby produced congestion of the lungs.

PATRICK GOHMAN, D. S. DUFUR, T. W. GLAVAY, PATRICK BOLTON, M. CALLAGHAN, W. H. STAATS.

Commissioners' Court.

The county commissioners were in session all day yesterday and today, but have about completed their labors for the term. The January term is always a long one and this has been no exception. The settling with the road supervisors takes considerable time, and the business of the December term of the circuit court brings in a large quota of bills which in this case have been largely augmented by the trial of Savage and Klein. These bills are numerous but outside of that are not very formidable, for most of them are small. It is quite probable the business of the term will be completed tonight, though it may take a portion of tomorrow.

Installation.

On Saturday evening an open meeting of the G. A. R. and W. R. C. was held in Fraternity hall, for the purpose of installing the newly elected officers of post and corps. The slippery streets, slush and rain combined did not prevent a large number of both organizations from being present to witness the installation.

The following officers were installed by P. P. C. W. A. Maddron:

W S Myers, P O; J Lemison, Jr, V C; F Esping, Chap; A G Johnson, Adj; E N Chandler, Q M; L P Nichols, O D; R L Aiken, O G; J M Patterson, S M; Wm McCrum, Q M. After which P. C. installed W. A. Maddron, Sen V C.

After a short recess the meeting was called to order by Mrs. B. Jane Russell, Past Dep't Pres. of California, whose work was above criticism. The exercises opened by singing "America," in which all were invited to join. Mrs. Mary S. Myers was announced as installing officer. After being introduced, escorted to the platform and given the salute of officers in a very graceful, impressive manner:

Blanche G Patterson, Pres; Belle Burger, S V P; Villa Lewis, J V P; Maggie Harrin, Sec; Lizzie Ulrich, Treas; Sue C Wilson, Chap; Jennie Russell, Con; Eliza Kelsay, G; Sarah E Bunch, Asst Con; Annie Urquhart, ast G.

The newly appointed president tendered the thanks of the corps to the installing officer and made some very pleasant remarks, after which Mrs. Sue Wilson stepped to the front and in a few well chosen words, presented Mrs. Myers, the past president, with a gold recognition pin, with red, white and blue center, bearing the letters F., C. and L., the motto of the order. This little affair was kept a profound secret from Mrs. Myers and was a genuine surprise; but she was equal to the occasion and thanked the corps in a very touching manner for the beautiful little souvenir, paid a high tribute "to the ladies, for their loyal support the past year," and especially to her secretary, Mrs. Nichols, and treasurer, Mrs. Burger, and asked for her success; the same earnest efforts.

After singing several Grand Army songs and partaking of light refreshments, the remainder of the evening was spent in a very social way.
