A. P. A's Now Control Police and Fire Departments.

New York, April 4.—The Sun's Lincoln, Neb., special says: "The legislature passed over the governor's veto, yesterday, a bill which places the Omaha police and fire departments in the hands of the American Protective Association, and which will result in the discharge of almost every Roman Catholic in either department. The administration of the affairs of the police and fire departments of Omaha is in the hands of the board of fire and police commissioners, of four members. These are appointed by the governor.

The legislature passed a measure placing the appointment of these men in the hands of the governor. The two latter are blatant members of the A. P. A. and can easily override the governor's wishes.

Governor Holcomb, on Monday, vetoed the bill and the veto came up for consideration yesterday afternoon. All the A. P. A. leaders in the state were on hand, and money was displayed constantly. The bill passed the house with two votes to spare and was rushed over to the senate and passed at 6:30 p. m., also, by the majority of two. It is rumored that Chief Seavey, of the Omaha police force, who is not a Catholic, will resign at once, and a thorough demoralization of the police force and fire department is imminent. All the leading Omaha business men have denounced the new law.

To Survey the Boundary.

SAN FRANCISCO, April 4.—The United States steamship Patterson is now being fitted out here for a trip to Alaska with a party of surveyors, who will work on the boundary lines during the summer. The harbors about Sitka will also be sounded, and a map made of their findings. The party will be engaged up north for three years. A big supply of coal will be taken on Puget sound, and a steam launch will be towed along in order to work in shallow inlets successfully. The surveying will be done in Portland inlet. This is where the boundary line begins, and much dispute has arisen of late over this point between the United States and British America. Both countries' limits seem to overlap each other, and it will be the duty of Captain Morse to solve this problem for the government.

The Japanese Demands.

ST. PETERSBURG, April 3.—A telegram from a Chinese source says that bad weather, sickness among the Japanese troops and the overflow of rivers have rendered the continuance of war extremely difficult. It is added that this has produced a favorable effect upon negotiations, but hopes for the speedy conclusion of peace is weakened by the Japanese demand for the cession of a portion of Manchuria, a war indemnity of 700,000,000 yen, and pending full payment of this indemnity that Peking shall be occupied by Japanese troops.

Must Not Appoint a Successor.

TOPEKA, April 3.—Judge Hazen, of the Shawnee county district court, today enjoined Governor Morrill from appointing a successor to J. C. Butler, steward of the Topeka insane asylum, who was recently suspended, pending an investigation. Judge Hazen held that the steward had certain vested rights with which the governor could not interfere. Butler was appointed by the state board of charities.

Mrs. Lease Was Ignored.

TOPEKA, April 4.—In the reorganization of the state board of charities today Mrs. Lease was entirely ignored by the majority of the members present. Senator Householder being under investigation and under suspension, left the republicans in the majority, and the man whom Mrs. Lease claims was wrongfully trying to get her seat on the board was made the permanent secretary, thereby throwing her out. She threatens to retaliate.

The Shortage Increased.

NEW YORK, April 2.—A special from Carson, Nev., says: "Inspector of United States Mints Mason yesterday announced the discovery of a melt of a bar of bullion which was registered as gold, but which, in fact, contained no gold whatever. A detective from San Francisco told a friend yesterday morning that the shortage was much larger than has ever been published.

Expecting Another Bond Issue.

NEW YORK, April 4.—Senator Lodge is in town. He says he does not believe there will be an extra session of congress should the supreme court fail to uphold the constitutionality of the income tax. He thinks any deficiency in the treasury would be provided for by some more "inimitable" bond issues.

Waiting For Relatives.

NEW YORK, April 4.—Charles and Henry Reed, brothers of the dead society leader, Mrs. Paran Stevens, have been telegraphed to in California, but no answer has been received from either of them. The body has been embalmed and will not be interred until the arrival of relatives.

Democratic Justice in Wisconsin.

MILWAUKEE, Wis., April 3.—Justice John B. Winslow, democrat, is re-elected to the supreme bench. Returns received up to midnight point to that conclusion. Sixty out of 68 counties give Winslow 6160 majority, with some democrat strongholds yet to hear from.

Fatal Runaway Accident.

LA PORTE, Ind., April 3.—In a runaway accident near South Bend last night two children of James Hicks were trampled to death. Hicks and his wife were thrown from the wagon, both sustaining serious injuries. The horses took fright at a passing train.

Going to Europe.

WASHINGTON, April 2.—Senor Zeballos the Argentine minister, is making farewell calls upon his diplomatic political friends today. Himself and members of his family will leave for New York tomorrow en route for Europe.

Gone to Woodley.

WASHINGTON, April 2.—The president's family left the White House today and took up their residence at Woodley, where they were joined by the president later in the afternoon.

Citizens' Ticket at Wallace.

WALLACE, Idaho, April 3.—At the city election today, the entire citizens' ticket was elected with two exceptions, in which the populists took the police justice and one alderman.

One Lone Democrat.

SEDALIA, Mo., April 2.—Republicans elected three of the four aldermen by good majorities. The new board stands seven republicans and one democrat.

CLEVELAND, O., April 4.—The Globe Iron works has restored the cut of 10 per cent. in wages made over a year ago.

Wanted in This Country.

PARIS, April 4.—Waddle who was shot by the American, O'Brien, is dead. O'Brien admits he is the "banco-steerer" who escaped from the United States.

His Accounts Short.

ST. LOUIS, April 4.—A special to the Post-Dispatch from Pittsfield, Ill., says: J. W. Linville, deputy county treasurer, has been arrested for an alleged shortage of \$5,000.

A Democratic Mayor.

ATCHISON, Kan., April 2.—T. P. Wagner, democratic candidate for mayor, has been elected by a majority of 500. The republicans elected all other officers.

A Small Attendance.

WASHINGTON, April 2.—Gresham, Herbert, Lamont and Bissell were the only members present at the cabinet meeting today.

"I have learned the whole of the 119th psalm by heart," said Benny Bloobumper to his father's visitor "What is that for, Benny? So people will give you a quarter to hear you recite it?" "No. So that people will give me 50 cents not to."—Life.

"Henry," said Mrs. Faddington to her husband, "I wonder if it wouldn't be a good idea for us to raise our own vegetables, and save what they'd cost in market?" "No," replied Henry. "Times are too hard. We've got to economize."—Washington Star.

Giggs—Do you mean to say you have been married three years and have three children? Briggs—Yes, and that isn't the worst of it. Griggs—What do you mean? Briggs—They are all the same age.—Brooklyn Life.

Clerk—How was that underwear I sold you? Customer—Fine! I gave it to our night watchman, and he hasn't closed his eyes since.—Clothier and Furnisher.

The captain of the Spanish gunboat that fired upon the American steamer Allianca has been relieved of his command.

It surprised many visitors to the Chicago world's fair to find that of all the blood-purifiers, Ayer's Sarsaparilla was the only one on exhibition. The reason is that Ayer's Sarsaparilla is a standard remedy, and not a patent medicine, or secret nostrum.

My Baby

was a living skeleton; the doctor said he was dying of Marasmus and Indigestion. At 13 months he weighed only seven pounds. Nothing strengthened or fattened him. I began using Scott's Emulsion of Cod-liver Oil with Hypophosphites, feeding it to him and rubbing it into his body. He began to fatten and is now a beautiful dimpled boy. The Emulsion seemed to supply the one thing needful.
