Silverites at Work.

SAN FRANCISCO, April 17.—The Call says: The silverites, that is, such as have been somewhat reproachfully dubbed "The one-issue men," are actively at work forming a straight-out-and-out silver party in this state.

"Movements like ours are being initiated all over the country," said Mr. Udell. "We expect, of course, that a national movement will be developed out of them all, and if the national movement is true to this paramount issue of money reform, we shall co-operate with it as the distinctively silver party in this state."

New Catholic Organization.

NEW YORK, April 18.—The Sun says: At an international Catholic conference held at Liege, Belgium, in April, 1893, the declaration often recited by Pope Leo XIII., that the restoration of the pope's temporal power is necessary for the well being of the Catholic church, was solemnly subscribed to and the nations of the world were invited to form organizations advocating the pope's independence.

Sattoli has approved the project. President Danne says that the apostolic delegate, after examining the constitution of the order, declared he considered the object in view a most laudible one, and one to be approved, and that the plan in the abstract seemed to present no objectionable features.

Slattery at Houston.

HOUSTON, Tex., April 18.—Ex-Priest Slattery passed through this city last night en route to Austin, having been unable to secure a hall here for a series of lectures which were to commence to-night. The opera house and all the halls, most of them owned by Protestants, were denied him, although his agents offered exorbitant rent.

Going to Peking.

WASHINGTON, April 18.—A cablegram from ex-Secretary Foster announces that he will accompany Li Hung Chang to Peking. The Chinese viceroy and party will arrive at Peking about May 1, between which time and the expiration of the extended armistice of May 8, there will be a week for the Chinese authorities to exchange ratifications of the treaty.

Great Silver Demonstration.

DENVER, April 19.—The weather this afternoon is fine, and the silver demonstration will be a great success. Seats for 5000 people have been placed in the state capital grounds, where an open air meeting will be held, and the indications are that ex-Congressman Sibley and General Warner will be greeted by an audience of at least 10,000. Their speeches will be impromptu.

Residence Burned.

GRIDLEY, Cal., April 16.—The residence of D. T. Biggs, near here, was totally destroyed by fire last night. The loss is \$10,000: covered by insurance. The building was formerly the property of ex-Congressman Marion Biggs, and his valuable library was destroyed.

THE MARKETS.

The wheat market shows a slight advance over last week, being affected by the Liverpool flurry. Walla Walla is quoted in Portland at 46 to 46 1/2, which should make it worth from 38 to 40 here.

The other markets are quiet and unchanged.

We quote as follows: WHEAT—38 cents per bushel. OATS—75 cents per 100 pounds. BARLEY—55 cents per 100 pounds. FLOUR—\$2.25 per barrel; retail \$2.50. CHOP FEED—\$15.00 per ton. BRAN—\$10.00 per ton. POTATOES—40 cents per sack. CHICKENS—\$2.50 to \$3.00 per dozen. EGGS—8 cents per dozen. BUTTER—30 to 40 cents per roll. WHEAT HAY—\$9 per ton. OAT HAY—\$8 per ton. TIMOTHY—\$12 per ton. WOOL—8 1/2 cents for best grade. WOOL BAGS—39 cents. SHEEP PELTS—5 cents per pound. HIDES—6 to 6 1/2 per pound.

Kingsley Notes.

Misses Mamie Driver and Gracie Kelley of The Dalles, were visiting friends in our burg last Sunday. It is reported that a new hotel will be built in Kingsley in the near future. A social dance was given at the residence of Mr. Walter Henderson last Saturday evening. All report a splendid time.

Mr. I. Butler is around again after a severe attack of la grippe. Commercial travelers and life insurance agents have been as thick as flies in Kingsley the past week.

Jimmie Makin of Grass Valley is in our midst on his annual cattle buying trip. He is accompanied by his old stand-by, Thos. Bolton. John Donaldson is the happy possessor of a brand new saddle and is strutting around in great shape.

Harry Burns was kicked by a vicious horse last Monday and quite seriously injured. We were unable to learn the particulars, but understand he had a close call. Hope to see him around again soon.

The youngest child of Mrs. M. J. Lewis, who was taken suddenly ill last week, is getting much better. Carpenters are busily engaged putting up shelving and counters in the new store building. Mr.

Chicago Trust Revived.

CHICAGO, April 18.—The Sash, Door & Blind trust has been revived. The trust had a meeting yesterday, and it was decided to advance prices 10 per cent, and reduce the stock of goods on hand. It is said the trust has a capital of \$20,000,000.

Doctor H. R. Fish, of Gravois Mills, Mo., a practicing physician of many years experience, writes: De Witt's Witch Hazel Salve has no equal for indolent sores, scalds and burns. It stops the pain instantly, heals a burn quickly and leaves no scar. Snipes-Kinnersly Drug Co.

Will Not Pay the Assessment.

SEDALIA, Mo., April 18.—The stockholders of the suspended First National bank decided not to pay the 75 per cent assessment made by Comptroller Eckels, on the ground that the bank was not legally organized.

B. H. Bowman; Pub. Enquirer, o Bremen, Ind., writes: Last week our little girl baby, the only one we have, was taken sick with croup. After two Doctors failed to give relief and life was hanging on a mere thread we tried One Minute Cough Cure and its life was saved. Snipes-Kinnersly Drug Co.

Another Jail Break.

MADERA, April 16.—Six prisoners broke jail here last night. They were Jim Lawson, held for attempted murder and jailbreaking; Jim Hanstip, an Indian, convicted of murder, and sentenced for life, and four hobos. It is the second jailbreak here in two months.

J. A. Richardson, of Jefferson City Mo., Chief Enrolling force 38th general assembly of Missouri, writes: I wish to testify to the merits of One Minute Cough Cure. When other so-called cures failed, I obtained almost instant relief and a speedy cure by the use of One Minute Cough Cure. Snipes-Kinnersly Drug Co.

Free Silver Caucus.

AUSTIN, Tex., April 18.—Sixty members of the lower house have signed a call for a free silver caucus next Monday night. It is probable an address will be issued calling the silver democrats to hold a state convention.

W. T. Sanford, Station Agent of Leeper, Clarion Co. Pa., writes: I can recommend One Minute Cough Cure as the best I ever used. It gave instant relief and a quick cure. Snipes-Kinnersly Drug Co.

Will Also Retain Wei-Hai-Wei.

BERLIN, April 18.—A dispatch from Tokio says that in addition to the places mentioned in the previous dispatches, the Japanese are to retain possession of Wei-Hai-Wei as a guarantee of the payment of the war indemnity.

Will Submit it to the People.

ALBANY, April 18.—The senate passed the assembly concurrent resolution, submitting to a vote of the people the proposed constitutional amendment providing for woman suffrage.

The Major—I'd make him apologize or fight. The Judge—That's the disagreeable part of it. He'll fight without being made to.—Detroit Free Press.
