Cleveland Blamed.

New York, May 2.—A special to the World from Managua says: The press blames President Cleveland for having, as it terms it, surrendered Nicaragua to England.

At a meeting of distinguished citizens, presided over by President Zelaya, the following words were ascribed to Foreign Minister Matus: "The Monroe doctrine is dead. It died of poverty of heroes' blood."

Three hundred more soldiers have gone to the Mosquito coast. Fresh instructions have been sent to the Salvadoran minister in London, who is endeavoring to bring about a Pacific settlement.

The government claims to have no official knowledge of the United States' request on England for more time for Nicaragua, and says if such a request has been made it was without Nicaragua's authority.

A leading man here says that though President Zelaya's talk of resistance was bluster at first, he is obliged now to keep it up on account of the attitude of the people.

England's action will do much towards bringing about the much-talked-of Central American Union. It is semi-officially stated that Honduras and Salvador will open their ports for Nicaraguan imports, waiving the duties collected in favor of Nicaragua.

Troops under General Reyes, commanding the approaches to the marshes surrounding Corinto, have orders to allow no arms to be passed.

Yesterday's Cyclone.

KANSAS CITY, Mo., May 2.—A special to the Star from Newton Kan., says: "Further particulars of yesterday's cyclone, report that the death list will probably reach 15 or 20."

Those known to be dead are Mrs. A. Chapin, an aged woman; Joseph Wile, wife and three children; William Armstrong, Mrs. F. Rizelle, and Miss Cora Snuff. There were about 20 badly injured. Physicians from the surrounding towns have gone to the assistance of the injured.

Dead cattle are strewn over the prairies for miles, and debris is everywhere. The storm did not rise from the ground and moved with terrible velocity. It demolished the telegraph poles in crossing the main line of the Santa Fe.

The force of the storm broke north of Mound Ridge. Hundreds of people turned out from Newton, Halstead and Burton to assist the injured and to recover the remains of the dead. Several are missing and a search is being made for the bodies.

In Better Positions.

NEW YORK, May 2.—A special to the World from Corinto says:

The British warships have changed positions again. It is understood that they are to leave upon receiving from Managua a promise to pay the indemnity. The ships have been stationed so as to command the bridges over the lagoons in order to guard the armed force on shore against surprise by the Nicaraguan troops on the mainland, as it was reported that an attempt would be made to regain possession of the town. Though the report was denied by British officers on land the men-of-war were shifted as noted.

Admiral Stephenson has wired home asking for instructions. He says the concessions made by England indicate that a peaceful solution of the trouble has been reached.

The Beneficiary Dead.

NEW YORK, May 2.—John Huff, said to have fallen heir to \$1,500,000 by the death of Charles Easthoff, a wealthy Californian, in 1893, has died at Mattawan, N. J. Huff nursed Easthoff twenty years ago through an attack of typhoid fever, when no one else would go near him, and the entire estate has been his reward.

W. T. Sanford, Station Agent of Leeper, Clarion Co. Pa., writes; I can recommend One Minute Cough Cure as the best I ever used. It gave instant relief and a quick cure. Snipes-Kinerly Drug Co.

Poisonous Tinned Meats.

PARIS, May 1.—Aurortite today says 17 soldiers have died in the military hospital at Vitrie from eating American tinned meats, and 24 others are ill.

Horticultural Quarantine Regulations.

At a special meeting of the Oregon State Board of Horticulture, held in Portland April 2, 1895, all members present, the following regulations were adopted, in accordance with the laws regulating such matters, and are, therefore, binding upon all persons. The regulations are to take effect and be in force from and after May 4, 1895:

Rule 1—All consignees, agents or other persons, shall, within twenty-four hours, notify the quarantine officer of the State Board of Horticulture, or a duly commissioned, quarantined guardian, of the arrival of any trees, plants, buds or cions at the quarantine station, in the district of final destination.

Rule 2—All trees, plants, cuttings, grafts, buds or cions, imported or brought into the state from any foreign country, or from any of the United States or territories, are hereby required to be inspected upon arrival at the quarantine station in the district of final destination, and if any such nursery stock, trees, plants, cuttings, grafts, buds or cions are found to be free of insect pests, and fungous diseases, the said quarantine officer or duly commissioned quarantine guardian shall issue a certificate to that effect. And furthermore, if any of said trees, plants, cuttings, grafts, buds or cions are found infested with insect pests, fungi, blight or other diseases injurious to fruit or to fruit trees, or other trees or plants, they shall be disinfected and remain in quarantine until the quarantine officer of the State Board of Horticulture or the duly commissioned quarantine guardian can determine whether the said trees, plants, cuttings, grafts, buds or cions are free from live injurious insect pests or their eggs, larvae or pupae, or fungous diseases before they can be offered for sale, gift, distribution or transportation.

All persons or companies are hereby prohibited from carrying any trees, plants, cuttings, grafts, buds or cions from without the state to any point within the state beyond the nearest point on its line or course to the quarantine station in the district of ultimate destination, or from any point within the state to any other point therein, until such trees, plants, cuttings, grafts, buds or cions have been duly inspected, and if required disinfected as hereinbefore provided, and all such shipments must be accompanied by the proper certificate of the inspecting officer. Provided, however, that after such persons or company have given the proper officer four days' notice, he or they shall not be required to hold such shipments further, without directions from such officer.

Rule 3—All peach, nectarine, apricot, plum or almond trees, and all other trees budded or grafted upon peach stock or roots, all peach or other pits, and all peach, nectarine, apricot, plum or almond cuttings, buds or cions, raised or grown in a district where the "peach yellows" or the "peach rosette" are known to exist, are hereby prohibited from being imported into or planted or offered for sale, gift or distribution with the state of Oregon.

Rule 4—All trees, plants, cuttings, grafts, buds, cions, seeds or pits arriving from any foreign country found infested with insect pests or their eggs, larvae or pupae, or with fungi, or other disease or diseases heretofore unknown in this state, are hereby prohibited from landing.

Rule 5—Fruit of any kind grown in any foreign country, or in any of the United States or territories, found infested with any insect or insects, or with any fungi, blight or other disease or diseases injurious to fruit or fruit trees, or to other trees or plants is hereby prohibited from being offered for sale, gift or distribution within the state.

Rule 6—Any boxes, packages, packing material and the like intended by any insect or insects, or their eggs, larvae or pupae, or by any fungi, blight, or other disease or diseases known to be injurious to fruit or to fruit trees, or to other trees or plants, and liable to spread contagion, are hereby prohibited from being offered for sale, gift, distribution, or transportation until said material has been disinfected by dipping it in boiling water and allowing it to remain in said boiling water not less than two minutes; such boiling water used as such disinfectant to contain in solution one pound of concentrated potash to each and every ten gallons of water.

Rule 11—Animals known as flying fox, Australian or English wild rabbit, or other animals or birds detrimental to fruit or fruit trees, plants, etc., are prohibited from being brought or landed in this state, and if landed shall be destroyed.

Rule 12—Quarantine stations: For the Fourth district, comprising the counties of Morrow, Wasco, Gilliam Crook and Sherman, shall be The Dalles. Emile A. Schanno quarantine officer, or any member of the board or the secretary thereof.

Rule 13—Importers or owners of nursery stock, trees, or cuttings, grafts, buds, or cions, desiring to have such nursery stock, trees, plants, cuttings, grafts, buds or cions inspected at points other than regular quarantine stations may have such inspection done where required, provided, however, that such importers shall pay all charges of inspection. Such charges and expenses to be paid before a certificate is granted. Transportation companies, or persons and consignees or agents shall deliver

DO YOU EXPECT To Become a Mother? If so, then permit us to say that Dr. Pierce's Favorite Prescription is indeed, a true "Mother's Friend," FOR IT MAKES Childbirth Easy by preparing the system for parturition, thus assisting Nature and shortening "Labor."

PAINLESS CHILDBIRTH.

Mrs. FRED HUNT, of Glenview, N. Y., says: "I read about Dr. Pierce's Favorite Prescription being so good for a woman with child, so I got two bottles last September, and December 13th I had a twelve pound baby girl. When I was confined I was not sick in any way. I did not suffer any pain, and when the child was born I walked into another room and went to bed. I keep your Extract of Smart-Weed on hand all the time. It was very cold weather and our room was very cold but I did not take any cold, and never had any after-pain or any other pain. It was all due to God and Dr. Pierce's Favorite Prescription and Compound Extract of Smart-Weed. This is the eighth living child and the largest of them all. I suffered everything that flesh could suffer with the other babies. I always had a doctor and then he could not help me very much, but this time my mother and my husband were alone with me. My baby was only seven days old when I got up and dressed and left my room and stayed up all day."

and caused to be detained all nursery stock, trees, plants and fruit at one or other of the quarantine stations, for inspection, as provided by the rules and regulations of the board.

Details as to quarantine stations, officers, fees of inspection, recipes for disinfection, and all desired information may be obtained on application to the secretary or any member of the board, or by reference to the pamphlet circulated.

Passed at a meeting of the State Board of Horticulture at Portland, Or., April 3, 1895. J. R. CARDWELL, Pres. Attest: GEO. I. SARGENT, Secy.

Notice to Water Consumers.

The water commission has ordered that the rules concerning the use of water for irrigation be printed and posted upon the gates of consumers, so that all may understand what the rules are. This has been done as ordered. The great waste of water heretofore, and the limited supply make the enforcement of these rules absolutely necessary. All consumers will please take notice of these regulations, and in case of a violation of the rule, the water will be at once shut off and a charge of \$1 will be made before again making the connection. I. J. NORMAN, Supt.

J. A. Richardson, of Jefferson City Mo., Chief Enrolling clerk 38th general assembly of Missouri, writes: I wish to testify to the merits of One Minute Cough Cure. When other so-called cures failed. I obtained almost instant relief and a speedy cure by the use of One Minute Cough Cure. Snipes-Kinerly Drug Co.
