The Canal Commissioners. NEW YORK, May 6.—The commission appointed some time ago by the president to examine the plans and route of the Nicaragua canal left for Mobile, Ala., last night.

There were in the party the commissioners, Colonel Ludlow, U. S. A., Commodore Endicott, of the navy, and Alfred Noble, and Assistant Engineers Davis, Wood, Stamford and Parke, of the navy, who will verify the surveys. A stenographer and a cook accompany the party, and Naval Surgeon Stitt went along to look after the health of everybody connected with the expedition.

Mr. Noble said it was expected that the Montgomery would land the commission at their destination by May 12, and that fully two months would be required to do the proposed work.

The party will reach Mobile on Tuesday and will at once go aboard the cruiser Montgomery and proceed to Greytown.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHENEY & Co., Toledo, O. Sold by all druggists, 75c.

Worse Than Before. LONDON May 6.—William E. Gladstone, in a letter to Francis Seymour Stevenson, chairman of the Anglo-Armenian Association, says the conduct of the sultan and Turkish government on the Armenian question has been worse than their conduct regarding Bulgaria, in 1875.

A severe rheumatic pain in the left shoulder had troubled Mr. J. H. Loper, a well known druggist of Des Moines, Iowa, for six months. At times the pain was so severe that he could not lift anything. With all he could do he could not get rid of it until he applied Chamberlain's Pain Balm. "I only made three applications of it," he says, "and have since been free from all pain." He now recommends it to persons similarly afflicted. It is for sale by Blakely & Houghton Druggists.
