Restoration of silver. SAN FRANCISCO, May 7.—Senator Culom of Illinois, who came to the Pacific coast as a member of the senate committee on commerce to look into the merits of San Pedro and Santa Monica as harbors, in an interview in this city, was asked: "Do you think the establishment of bimetalism will restore confidence and produce good times?"

While I believe in bimetalism and the parity of values of both gold and silver, giving to both metals equal chance and equal privileges, I am not so sanguine as to believe that the United States alone can by simple decree produce the desired result. We ought to have an international agreement which shall establish the proper relations as to metallic currency. The country is worried by theories of charlatans who provide unfailing remedies for every ill, ignoring the teachings of experience. Much as we may wish to give to silver its equal and rightful position as a money metal, we must look to existing conditions where they demand it at our hands. The duty of a statesman is to look after and care for the interests of the entire country. He must sacrifice no interest for the benefit of any other interest."

Reported at an End. NEW YORK, May 8.—A special from Havana to a morning paper says: The end of the war is at hand. The rumor permeated the city joyously last night, and now it is conceded in all well-informed circles. Prices at the bourse have risen. The chiefs of the insurgents have abandoned their cause in despair.

Captain-General Martinez Campos has ordered that the works on the port of Santiago be begun at once. Railways and telegraph lines are to be rebuilt and improved through Manzanillo, Puerto Principe, Santa Cruz, San Luis and Soriano.

President Cleveland's cordial interview with Senor Dupuy de Lome, the Spanish minister, is reported by newspapers here and causes great enthusiasm among the people. Wild applause greeted the announcement that the Spanish government has ordered a diminution of taxes on all industries and railways in Cuba.

The Queen May Abdicate. LONDON, May 9.—Much gossip is heard with regard to the queen's 76th birthday anniversary on May 24. It is not so much the festivities which are to be connected with this event which form the subject of gossip as the fact that it is freely rumored that her majesty will abdicate on that day, and after that the Prince of Wales will reign as King Edward VIII. It is learned that the queen expressed her desire to abdicate at a meeting not long ago, at which the Prince of Wales, Lord Rosebery and at least two members of the cabinet were present.

If her majesty surrenders the crown on that day she will have reigned 58 years, the longest reign of any monarch of the 19th century.

Japan's Concession. NEW YORK, May 8.—A dispatch from John A. Cockrill, dated Tokyo, Japan, to the Herald, says at the exchange of ratifications of the treaty at Che-Foo tomorrow, Japan will agree to surrender Port Arthur and part of the Liau-Tong peninsula to China in consideration of an extra payment of 100,000,000 taels.

She may also annex to Corea the port of Manchuria, which is left her. It is believed this arrangement will be perfectly satisfactory to Russia and will insure peace.

Steeplechase Races Declared Off. NEW YORK, May 8.—Tonight the National Steeplechase Association declared off its day meeting, because the so-called racing bills recently passed by the legislature have not become laws. They are awaiting the governor's signature. When the association opened its stakes, all indications pointed to executive sanction in time to permit the running of races.

Five Thousand Chinese Soldiers Start For Formosa. HONG KONG, May 7.—Five thousand soldiers have started from Canton for Formosa to suppress the expected opposition of the Black Flags to the occupation of that island by Japanese, according to the terms of the treaty of peace between China and Japan. Many of the troops are unreliable, and liable to join the Black Flags.

The Arnhem Sale of Trotters. PITTSBURGH, May 8.—At Arnhem's trotter sale, Charles Webber, of Philadelphia, bought a string of 18 horses with records from 2:40 down to 2:18 1/2, at prices ranging from \$185 to \$495. Queen H., with a record of 2:21, was sold to M. Fox & Son, of Baltimore, for \$675. W. P. de Armott bought Katydid and Katydid't for \$1000.

General Campos Suffering from an Old Wound.

NEW YORK, May 9.—A special from Havana says: General Campos sailed from Cienfuegos on the 2d for Manzanillo and Santiago. Well-informed people maintain he will soon have to return. He is said to be in good health. The old wound from a bomb thrown in Barcelona never quite healed, and gives him much trouble. Some persons say he has told friends he fears he will never leave Cuba alive.

The Spanish gunboat Alcega has left, presumably to guard the Florida coast. The reports that General Laet had landed, and that Gomez is marching west with a body of men are confirmed, but no details can be obtained. The expedition expected here from Key West or Tampa is reported ready for sailing.

The most astonishing feature of the war has been the considerate behavior of the rebels. They have not thus far pillaged nor burned in this as in the first revolution.

Corbett Confirms It. CHICAGO, May 9.—James J. Corbett said this afternoon: "Regarding the report that I will fight Jackson, please say anything Brady gives out can be relied on as straight and I will stand by it. I have always wanted to fight Jackson, but he would fight nowhere else than in London. I will take him on his own ground at the National Sporting Club. The fight must come off, however, in September as my time is valuable, I do not think the Fitzsimmons fight can be pulled, and I don't propose to be chased over the country without a show of meeting him. Under the circumstances I want to meet one or the other, and so have decided to try Jackson."

Corbett will leave here tomorrow night for New York to perfect arrangements, as he expects word from London.

Attempt to Undermine President Guterriez, of Salvador. NEW YORK, May 9.—A special to the World from Salvador says: An undoubted conspiracy exists against President Guterriez which is backed by Vice-President Alfaro and a majority of congress. Congress is annoying the president in every possible way, the latest move being to hang up the appropriation bills for running expenses. Many of the most prominent military officers have resigned their commands. It is reported that the troops at Santa Tecla have been paid, which ended the trouble there. A quantity of revolutionary circulars have been seized by the government.

Report that the Cuban Rebellion had Ended Entirely. HAVANA, May 9.—A correspondent of the Associated Press here has made inquiries of officials of the report current in the United States, that Captain-General Martinez de Campos has reached a settlement with the rebel leaders and the insurrection is practically over. It is learned that the captain-general has not reached a settlement and will depend upon force of arms to put down the rebellion.

J. A. Richardson, of Jefferson City Mo., Chief Enrolling officer 38th general assembly of Missouri, writes: I wish to testify to the merits of One Minute Cough Cure. When other so-called cures failed. I obtained almost instant relief and a speedy cure by the use of One Minute Cough Cure. Snipes-Kinnersly Drug Co.

Complete Victory for the Men. SHARON, Pa., May 9.—The National tube works, of McKeesport, have granted their 400 employes an increase of 10 per cent in their wages. The company's pipe works are the largest in the world, and it is believed this increase will result in a material increase in the price of pipe.

Doctor H. R. Fish, of Gravois Mills, Mo., a practicing physician of many years experience, writes: De Witt's Witch Hazel Salve has no equal for indolent sores, scalds and burns. It stops the pain instantly, heals a burn quickly and leaves no scar. Snipes-Kinnersly Drug Co.

Several Mines Have Resumed. POMEROY, O., May 9.—The miners' strike in this district is nearing an end. Work on several mines has been resumed at the 1 1/2-cent rate, the miners having concluded to stand the reduction of 1/4 of a cent a bushel.

Both Granted the Advance. WHEELING, W. Va., May 9.—The Wheeling Iron & Steel Company and the Riverside Iron Company, to avoid a strike, made a straight advance of 10 per cent in the wages of their 2000 employes.

La Grippe is here again with all of its old time vigor. One Minute Cough Cure is a reliable remedy. It cures and cures quickly. Snipes-Kinnersly Drug Co.

Kingsley Notes.

That mean, cranky look has disappeared from our farmers' countenance, and now when they meet you 'tis "yes, yes, that was a fine rain, making of the country," etc., etc. Mrs. Nettie Mayhew is suffering from a severe attack of la grippe. Ed Wing has sold his stage line to Mr. Davis, the former proprietor. Emerson Williams now carries his head in a sling, caused by an overdose of neuralgia. Tim and Ernest Mayhew have gone wool hauling and expect to be on the road until harvest time. George Roder, a 13-year-old boy, who has been making his home with Mr. James Kelley for the past year, is very low with consumption. We learn there are no hopes of his recovery.

Mr. M. T. Theoburn has just finished digging eight acres of potatoes Hugh Morehead and Emerson Williams helped him one day, so of course the job lasted quick. Mr. E. L. Boynton is building a large barn on his farm three miles south of Kingsley. Lumber is arriving for the new residence of Geo. Friend, our popular blacksmith. How sad and heart broken Wm. Cox looks since last Tuesday. It was a mean trick to send him hunting horses and then coaxing his best girl away on the stage. Make a kick, Will.

And now comes the information that Pat Bolton is thinking seriously of purchasing a bicycle. He says his boys are too slow hitching up the buggy when he wants to go to The Dalles. Wm. Neabeck, alias Epicac Bill, is making things howl in the timber these days. We imagine wood will be much cheaper from now on, as Bill has the reputation of being a holy terror when it comes to pulling a cross-cut saw. We had a genuine old-fashioned scrapping match on our streets last Saturday between our stage proprietor and one of his drivers. It all grew out of a settlement in regard to wages. Fists were the arguments used and plenty of precious blood spilt the result. The last seen of them one was Winging his way to The Dalles and the other climbing the Jackson hill, and both seemed perfectly satisfied. ME.

PERSONAL MENTION.

Hon. E. O. McCoy of Grants is in the city. Mr. N. J. Finnott, "attorney and counselor at law," arrived home from Pendleton this morning. Mr. William Wiley came in from his ranch yesterday. He tells us shearing is the order of the day at all the camps and that the clip was never better. The staple is long and without a break. Next week the roads will be lined with wool teams. Mrs. Monroe Grimes returned from a visit to Huntington yesterday morning. Miss Dunlap of Wasco is the guest of Miss Ethel Denning.

MARRIED.

On May 6, 1895, at the United Presbyterian parsonage, Sinnasho, Or., by the Rev. J. A. Speer, Mr. O. L. Paquet and Miss E. L. Whitlock, both of Wapinitia.

DIED.

At Upper 8-Mile, May 8th, Willis Disbrow, son of Mr. and Mrs. Arthur Disbrow, late of Hood River, aged 9 months. A precious one from us has gone. A voice we loved is stilled. A place is vacant in our home, which never can be filled. God in his wisdom has recalled. The boon his love had given. And though the body moulders here, The soul is safe in Heaven.
