The proper course is to remove the cause of weakness by treating the liver and kidneys. Dr. J. H. McLean's Liver and Kidney Balm will reach the seat of trouble and restore the diseased organs to healthy functional activity.  All Good Templars are cordially welcomed at the lodge every Monday evening. We meet in Fraternity hall at 8 o'clock. All who wish to take an active part in the temperance cause and are not now members are invited to join.

THE DALLES WILL CELEBRATE.
 An Enthusiastic Meeting Last Night at the City Hall—A Committee Appointed to Canvas the Town.
 Pursuant to the notices in THE CHRONICLE a large number of representative citizens met in the city hall last night and discussed plans for the coming Fourth of July. Everyone present took a deep interest in the meeting and the unanimous opinion was expressed that The Dalles not only could but should make preparations to observe the day in a proper spirit. Mayor Menefee called the meeting to order and was at once chosen its chairman. Mr. John C. Hertz was elected secretary. After much discussion pro and con a motion was made and carried that the chairman appoint a committee of citizens to canvas the town and see how much money could be raised and what arrangements were possible to be made. The chairman appointed to serve on this executive committee Messrs. Ernest Jacobsen, Hugh Chrisman, John Hampshire, H. J. Maier, Judd S. Fish, John C. Hertz and Chas. Stephens. The mayor was appointed honorary member to serve with the committee.
 At the close of the meeting the executive committee held an informal meeting and decided to canvas the town today. They are meeting with good success and everything promises fair to make the day a grand success. The gentlemen in charge are all capable business men and have the proper enthusiasm. The Dalles invites a large attendance from the country and will do all in its power to give its guests a merry time.
Our City Fathers.
 An adjourned meeting of the city council was held Saturday night in the recorder's office. There were present the mayor, Frank Menefee, and all the councilmen—Messrs. Hood, Lauer, Nolan, Eshelman, Shackelford, Johns, Adams, Thompson and Kuck.
 The committee to which was referred the petition of the D. P. & A. N. Co. to have the lines bounding their right of way at the foot of Court street changed, recommended the petition be granted, and the council so ordered.
 The special committee appointed to consider the claim of Mrs. Obarr against the city, recommended that she be offered \$75 in lieu of any damages done her property on account of the smallpox case. The report, after discussion, was adopted.
 The ordinance to amend section 22 of ordinance 129 was read and passed. This provides that no one shall build a fire nearer to a fence or inclosure than to a house as before provided.
 The council passed a resolution that the engineer of the fire department shall also perform the duties of fire warden.
 The matter of the recorder's salary came up and a resolution was passed that after July 1st that official shall receive as his compensation \$50 per month.
 The judicial committee made an oral report that the city ordinance be revised to conform to the new charter.
 The marshal and street commissioner were instructed to have all the thistles within the city limits cut down and destroyed by June 30th.
 At this juncture Councilman Lauer moved to adjourn, and Mr. Nolan seconded, and the business being completed, the council adjourned to meet June 29th at 8 p. m.
 Anyone who has ever had an attack of inflammatory rheumatism will rejoice with Mr. J. A. Stumm, 220 Boyle Heights, Los Angeles, over his fortunate escape from a siege of that distressing ailment. Mr. Stumm is foreman of Merriam's confectionery establishment. Some months ago, on leaving the heated work room to run across the street on an errand, he was caught out in the rain. The result was that when ready to go home that night he was unable to walk, owing to inflammatory rheumatism. He was taken home, and on arrival was placed in front of a good fire and thoroughly rubbed with Chamberlain's Pain Balm. During the evening and night he was repeatedly bathed with this liniment, and by morning was relieved of all rheumatic pains. He now takes especial pleasure in praising Chamberlain's Pain Balm, and always keeps a bottle of it in the house. For sale by Blakeley & Houghton, Druggists.
 When your heart pains you and unusual palpitation is frequent, accompanied sometimes with shortness of breath and low spirits you are suffering from a disordered state of the liver, digestion is imperfect and there is wind on the stomach. If allowed to remain the trouble will ultimately reach the kidneys and then become dangerous to life. Steps should be taken to stay its progress on the appearance of the first symptoms. Dr. J. H. McLean's Liver and Kidney Balm is especially adapted for disorders of this kind. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drug Co.
