A Scheme Being Hatched to Purchase it.

A Trusted Messenger Takes \$10,000-All Efforts to Locate Him Fail--Other News.

CHICAGO, July 19 .- A dispatch from Washington says: A syndicate of wealthy New Yorkers, it is learned from state department sources, has been formed and is awaiting the proper crises in Cuban affairs to again advance the low, of the Second Coventry regiment, proposition for the practical purchase of Cuba. The plan will be modified, however, to agree with the scheme once coneidered by Secretary of State Hamilton Fish, during President Grant's administration. It looks to the amicable settlement of the Cuban question by purchasing the independence of the island for \$100,000,000. It is said the impression pervails in the state department that the Rothschilds are back of the scheme.

New York Herald Robbed.

NEW YORK, July 19 .- The following story is published this morning:

A trusted messenger neatly robbed the New York Herald of \$10,000 on Wednesday. He was sent late in the torenoon to the Chemical National bank with a check for an even \$10,000, signed by G. G. Howland, business manager. It was for the weekly payroll. The man had often taken this little trip to the bank, satchel in hand, and had always heretofore brought back the money safely and delivered it to the cashier. He placed the roll in a little satchel very careful and departed. This was the last seen of him.

Late in the afternoon, when the Hering, the bank was asked about the delay by telephone. The reply came that the investigation was begun, but nothing per bottle. revealed except the fact that the senger was gone with \$10,000.

Word was sent to police headquarters to keep a sharp lookout for the man and to maintain the strictest secrecy. It is thought that after obtaining the money the messenger boarded some out-bound vessel. There is at present little hope of tracing him.

Heavy Gold Shipment.

New York, July 19 .- W. H. Crossman & Bro., coffee importers, have ordered \$1,000,000 in gold from United States sub-treasury for shipment to Europe on the Etruria tomorrow. Nesslage, Colgate & Co. will ship \$50,000 additional by the Etruria tomorrow, making in all for this firm \$150,000. An easier tone prevailed in the sterling exchange market today, and the usual business rates have been reduced 1/4 per cent on both long and short bills. The lowering of rates by the London syndicate house is undoubtedly due to the announced intention to ship \$1,000,000 tomorrow. As all this gold has been ordered at the subtreasury, it is possible it may not be sent owing to the lowering of exchange

The Building Collapsed.

For some time past Judge Strahan had been affected with apoplectic symptoms, and more than once from a dangerous attack of illness. Last summer one of these attacks came upon him suddenly, and it is probable that if his physician had not reached him with the greatest promptness, his life would then have ended. The Defender Wins.

NEW YORK, July 21 .- Wind was so light this morning that chances for a race today between the Vigilant and Defender seemed doubtful, but at the hour when the race was announced to start two big sloops were seen, when the fog lifted momentarily, side by side, on a starboard tack, off the Highlands of Navesink, N. J., headlong for the Scotland lightship. They were under all lower sails and club topsails.

At 2:40 p. m. the two sloops were running up the coast about 2 miles off shore, the Defender ahead of the Vigilant about one mile.

At 2:49 p. m. the first yacht, the Defender, finished and at 2:52 p. m. the Vigilant finished, the Defender being winner by about three minutes.

SAN FRANCISCO, July 22 .- Hundreds of people surrounded the county jail this morning, eager to see William Henry Theodore Durrant taken to the new city hall to be tried for the murder of Blanche Lamont and Minnie Williams, in Emanuel church last April. It was supposed that Durrant would be kept in jail until near the time for commencing the trial. The waiting crowds were disappointed. At 8:45 Sheriff Whalen sent his private buggy to the county jail. Durrant and Chief Jailer Satler entered this open buggy and started alone for the city hall.
