Klickitat Assessment Raised.

Parties in The Dalles, who own land in Klickitat county, have received word from the auditor at Goldendale notifying them that assessment on all property would be raised thirty per cent. The notice reads as follows:

GOLDENDALE, Wash., Aug. 8, 1895.

"You are hereby notified to appear before the board of equalization on or before August 14, 1895, and show cause, if any, why your assessment, other than money, notes and accounts, should not be raised thirty per cent."

This is an indication that strenuous efforts are going to be made looking towards the lessening of Klickitat's indebtedness.

"You cannot work well unless you feel well. No one can feel well with a disordered liver or diseased kidney. Diseases in the organs should receive prompt attention, as neglect will lead to much misery and sorrow. Dr. J. H. McLean's Liver and Kidney Balm should be taken as soon as the first symptoms of trouble are manifest. It is well known to all dealers in medicine as a safe and reliable cure for diseases in the liver or kidneys. Price \$1.00 per bottle. For sale by Snipes-Kinersly Drugists.

An Old Dalles Teacher.

The following concerning Prof. David Torbett will be of interest to many people in The Dalles. Prof. Torbett was formerly instructor in mathematics in the now defunct Wasco Independent Academy. The article is taken from the Albany Herald:

Prof. Torbett of Albany college, is one of the most expert and original mathematicians in the state. It is a rare treat to hear him explain the different rules and formulas he has originated himself, among them many processes for shortening mathematical calculations which are most practically applicable.

When the liver and kidneys are diseased it produces a feeling of despondency and gloom of mind that it is impossible to shake off. The victim needs the help of a remedy that will restore the deranged organs to their normal healthy condition. Dr. J. H. McLean's Liver and Kidney Balm will bring about this result. By stimulating them to increased activity in removing the waste of the system, it restores health and vigor of mind and body. Price \$1.00 per bottle.

Reliable reports from different portions of the county indicate that the wheat yield is turning out much better than expected. The yield in Klickitat is very large, and Sherman and Wasco counties will be on hand with large harvests. Next month will see lines of wheat wagons wend their way along the roads leading to town. The Dalles is going to be the great wheat market this year, as it has been the wool center earlier in the summer.

There is no doubt, no failure, when you take DeWitt's Colic & Cholera Care. It is pleasant, acts promptly, no bad after effects. Snipes-Kinersly Drug Co.

MOTHERS

and those about to become mothers should know that Dr. Pierce's Favorite Prescription robs childbirth of its torture, terrors and dangers to both mother and child, by aiding Nature in preparing the system for parturition. Thereby "labor" and also the period of confinement are greatly shortened. It also promotes an abundant secretion of nourishment for the child. During pregnancy, it prevents "morning sickness" and those distressing nervous symptoms from which so many suffer.

Tanks, Cottle Co., Texas. Dr. R. V. PIERCE, Buffalo, N. Y. Dear Sir—I took your "Favorite Prescription" previous to confinement and never did so well in my life. It is only two weeks since my confinement and I am able to do my work. I feel stronger than I ever did in six weeks before.

Yours truly, Corda C. Culpepper

A MOTHER'S EXPERIENCE. South Bend, Pacific Co., Wash. Dear Sir—I began taking your "Favorite Prescription" the first month of pregnancy, and have continued taking it since confinement. I did not experience the nausea or any of the ailments due to pregnancy, after I began taking your "Prescription." I was only in labor a short time, and the physician said I got along unusually well.

We think it saved me a great deal of suffering. I was troubled a great deal with neuritis also, and it has done a world of good for me. Yours truly, Mrs. W. C. BAKER.

Wife-Murder and Suicide.

WILMOT, Ind., Aug. 11.—Dr. W. J. Whiteford, of this place, while laboring under temporary aberration of mind, today, shot and killed his wife. He then turned the weapon upon himself with fatal effect. He had been a prominent physician here for years.

"It is the best patent medicine in the world" is what Mr. E. M. Hartman, of Marquam, Oregon, says of Chamberlain's Colic, Cholera and Diarrhoea Remedy. "What leads me to make this assertion is from the fact that dysentery in its worst form was prevalent around here last summer and it never took over two or three doses of that remedy to effect a complete cure." For sale by Blakeley & Houghton Druggist.

A good deal of last year's wheat is being brought into town and placed for storage. The market will not open for several weeks and the price is purely nominal. Men of conservative judgment think that when the market does begin 50 cents will be the opening figure. Some people expect it to go higher. If present indications are any criterion the farmer is going to receive a fair return for this season of toil.

"The use of 'Castoria' is so universal and its merits so well known that it needs a work of supererogation to endorse it. Few are the intelligent families who do not keep Castoria within easy reach." CARLOS MARTY, D. D., New York City.
