LOCAL BREVITIES.

Wednesday's Daily.

Ten crates of cantaloupes were shipped this morning to Portland.

The price of wheat rose one cent yesterday in the Chicago market.

Mr. Pague sends a report that Thursday will be fair and slightly warmer.

School will commence September 2d at Smock Prairie, in the southern part of the county. Mr. John A. Haylock will be the teacher.

School Superintendent Shelley has figured the apportionment from the school appropriation and finds that it amounts to \$2.15 per pupil.

Ten cars of wreckage from a freight wreck on the eastern division, passed through The Dalles this morning on the way to the repair shops at Albina.

Grapes have made their appearance in the local markets. This locality raises all kinds of fruit and as one variety disappears another comes to take

sell for sausage meat.

Somebody in Portland is to have a through The Dalles this morning. The and long distances. pieces were unusually large ones and of handsome proportions.

ill. Several weeks ago she was taken to was considered quite low. .

It is not yet settled whether or not the Regulator will run an excursion to the Locks Sunday. There will be a great many who would like an opportunty of making the river trip, and if the orchestra goes along, there would undoubtedly be a large crowd attend.

The regular teachers' examination is now in progress at the court house. Supt. Shelley is in charge of the examination, assisted by Miss Rintoul and Miss Lang. Twenty-two applicants are passing through the ordeal of questioning. The test is exclusively written. This afternoon the candidates for certificates are being examined in orthography and grammar. A list of the successful applicants will be published at the close of the examination.

The railroad company will run an excursion to the locks next Sunday when is handled for these places. By its genthe big excursion from Eastern Oregon erous treatment, the boat company has arrives. The time-table will be so arranged that parties who go will have a Below the Cascades passengers wait for whole day at the locks. The exact time the Dalles City and allow other steamers is not yet announced. The round trip to pass, so popular is the company and fare will be a dellar.

delinquent taxes. People do not run will still do the bulk of the business, as over one another in their scramble to it does today. pay their proportion of the county's expense, but every day some money comes in from delinquents. The sheriff has been instructed to levy on the property of those who do not pay within the required time.

On account of the sickness of her father, Miss Brydolf has been compelled to tender her resignation as a teacher in The Dalles public schools, to which position she was elected by the board of directors. This will necessitate the days. election of a new teacher. Miss Brydolf was chosen to fill the place made vacant by the resignation of Miss Hollister.

Anita, the fast trotting mare, was taken to Portland on the boat this morning, where she will be sold to parties there. Anita is a splendid animal and holds the best record on the track in this city. At present she is owned by Mr. J. W. Condon. Her track performances are well known abroad, and the gray mare will undoubtedly bring a good figure.
