

GOLDEN MEDICAL DISCOVERY

Many years ago Dr. R. V. Pierce, chief consulting physician to the Invalids' Hotel and Surgical Institute, Buffalo, N. Y., compounded this medicine of vegetable ingredients which had an especial effect upon the stomach and liver, rousing the organs to healthy activity as well as purifying and enriching the blood. By such means the stomach and the nerves are supplied with pure blood; they will not do duty without it any more than a locomotive can run without coal. You can not get a lasting cure of Dyspepsia, or Indigestion, by taking artificially digested foods or pepsin—the stomach must do its own work in its own way. Do not put your nerves to sleep with so-called celery mixtures, it is better to go to the seat of the difficulty and feed the nerve cells on the food they require. Dyspepsia, Indigestion, Biliousness and Nervous Affections, such as sleeplessness and weak nervous feelings are completely cured by the "Discovery." It puts on healthy flesh, brings refreshing sleep and invigorates the whole system.

Mrs. K. HENKE, of No. 866 North Halsted St., Chicago, Ill., writes: "I regard my improvement as a miracle. Since taking Dr. Pierce's Golden Medical Discovery in connection with his Pleasant Pellets I have gained in every respect, particularly in flesh and strength. My liver was greatly enlarged and I suffered greatly from dyspepsia. No physician could give relief. Now, after two months I am entirely relieved of my disease. My appetite is excellent; food well digested; bowels regular and sleep much improved."

A Bicycle Club Needed.
Pendleton has a bicycle club, which is actively supported by a large number of "wheelers." It has a permanent organization, by-laws and rules, which all the members are called upon to obey. Great interest is taken in the club by lovers of this kind of sport, and the organization has done a great deal of good in agitating the question of good roads and providing means of many pleasant recreations for its members. The Dalles has a great many riders, as large a number in proportion to its size as any other place, and yet it lacks a bicycle club. Such an organization could easily be maintained, and would prove a source of much pleasure and profit to its members. Such a club should have been started earlier in the season; it is not now too late for such an organization to be formed.

Four Big Successes.
Having the needed merit to more than made good all the advertising claimed for them, the following four remedies have reached a phenomenal sale. Dr. King's New Discovery, for consumption, Coughs and Colds, each bottle guaranteed—Electric Bitters, the great remedy for Liver, Stomach and Kidneys. Bucklen's Arnica Salve, the best in the world, and Dr. King's New Life Pills, which are a perfect pill. All these remedies are guaranteed to do just what is claimed for them and the dealer whose name is attached herewith will be glad to tell you more of them. Sold by the Snipes-Kinnersly Drug Co.

Is It Suicide?
A man named White, living up Mill creek, came to town Saturday and handed to Policeman Connelly a note which was found in a bottle floating down the stream. The note read:
To Friends in The Dalles:
If you walk up the flume five or six miles you will find my body hanging to the end of a rope underneath the flume.
J. A. RILEY.

The note was turned over to Coroner Butts, but what investigation was had did not disclose anything of Mr. Riley. The consensus of opinion is that Mr. Riley is of a facetious turn of mind and seeks a little fun at the genial coroner's expense.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address:

None But Ayer's at the Worlds Fair.
Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed an exhibit at the World's Fair, Chicago. Manufacturers of other sarsaparilla sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the World's Fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."
