THE CITY COUNCIL MEETS.

A Sewer System to be Inaugurated-- The Sunday Ordinance Defeated.

The council met in regular monthly session last evening at the city hall. The roll call by the recorder showed that besides Mayor Menefee there were present Councilmen R. B. Hood, M. T. Nolan, A. R. Thompson, S. S. Johns, R. E. Saltmarsh and George Ross. Later in the evening Messrs. L. E. Crowe, T. F. Wood and G. C. Eshelman came in and took part in the deliberations. After the reading and approval of the minutes of the previous meeting, a petition was presented from John Howe asking that he be granted a liquor license. On motion the recorder was instructed to grant the license after the posting of a notice for 30 days. The bond of N. Whealdon and J. M. Huntington, guaranteeing the opening and maintaining the public alley way through block 14, was read and upon motion of Councilman Crowe seconded by Mr. Hood, the matter was laid over until the next meeting of the council. The finance committee then held an informal meeting and audited the bills presented before it. Mr. Hood from the committee on fire and water, reported that a water trough had been constructed on Laughlin street near Second.

In the matter of the request of Mrs. Stubling for a deed, Mr. Thompson, from the judiciary committee, reported that the deed had been issued, but recommended that another be issued upon the payment of the assessment. Mr. Nolan moved that the report be adopted and that the mayor and recorder be instructed to sign the necessary deed. Mr. Eshelman from the special committee to look up the matter of a sewer system, made a verbal report to the effect that the committee had visited Mr. Crandall, and authorized him to make estimates of cost of a sewer below the bluff in the city. Mr. Crandall made the statement that he had considered the matter and thought a system could be built below the bluff at an estimated cost of \$22,000. A motion was made by Mr. Eshelman and seconded by Mr. Thompson that the council proceed in the regulation way to build sewers under the bluff. This motion prevailed, but another one to the effect that the recorder act with the committee on streets and property and get proper specifications, was made and withdrawn. A motion was made that the matter be left with the committee to be appointed by the mayor and to report at the next meeting and that when the council adjourn it adjourn to meet next Friday night. The mayor appointed on the committee Messrs. Hood, Eshelman and Nolan.

The ordinance providing for the closing of saloons on Sunday was called up and on motion placed on its final passage. When it came to a vote the ordinance was lost, there being four votes in favor and five against the ordinance and so the effort of the council to close the saloons has failed. The claims against the city, which were ordered paid, are published in another column. A motion was carried that Huntington & Wilson be paid \$30 for legal services. On motion the council adjourned till next Friday evening.

Wasco and Sherman Counties Free Bridge Road.

[TO THE EDITOR]:—This question demands immediate, active, earnest agitation, not merely as a newspaper gossip, but these facts should be properly presented to Wasco's county court. First, that Sherman county road to the free bridge has already passed the doubtful point and is universally received as a reality. Second, that its usefulness when completed is practically barred by the condition of Wasco county's part of said road which lies as a present impediment to the completion of the road. The question is universally asked by those interested, will Wasco county give them a decent road to The Dalles ere their part is done? This we can only answer by comparing the interest they have manifested to raise the toll blockade and make a practical highway in Sherman county to the bridge, by private subscription, with the interest they would undoubtedly take as a county in the same road for the same purposes, Wasco county being largely represented in and by The Dalles. This proposition should receive attention initiative, at least, in order to secure the attention legally of the coming county court and give a stimulus to the Sherman county work, that it may be prosecuted with a will and earnest expectation. The Sherman county work is strictly of a private character and plain facts now speak in no mistaken tones of those who have been endorsing and perhaps secretly managing the toll system on the free bridge road and insist upon continuing the blockade. We ask, therefore, for such an earnest, active agitation of this matter as will give us a practical road in the early spring for wool, wheat, merchandise and general teaming to and from The Dalles and interior points, and we will then have a useful and fixed tributary to The Dalles. Wishing to be brief, we conclude by suggesting that we have plans we might

offer for these improvements from actual investigation; but prefer that some practical, influential parties set the matter in motion, then let us work in unison, unitedly and with will.

Respectfully, AGITATOR, The Dalles, Nov. 4, '95.

South Waucoma Addition to Hood River.

The owner of this, the most beautiful residence portion of this beautiful village, has notified us that money must be had and to cut the prices until they will sell, and so we have made a slash of from 25 to 40 per cent. on everything placed in our hands. When you realize the fact that the beautiful new \$9,000 schoolhouse is built in this addition and that this property surrounds it, you will know that it is offered at prices below anything ever known. We have three 5-acre tracts, two blocks from new schoolhouse, for \$750 each, or a rate of \$150 per acre. No land in this addition has ever sold for less than \$600 per acre and never will be again. We have also lots in adjoining block to the schoolhouse ranging from \$75 to \$250, according to location and size, no lot less than 50x100 feet. Now see what you think of this: We have an 8-room hard finished house with six lots, the house cost \$1,200, ordinary price of lots in same locality \$200; the former price at which this has been held was \$2,500. We now offer this beautiful property at the ridiculous figure of \$1,200. We have an adjoining house of six rooms, hard finished, with three lots, the very finest residence location in the city, only \$800. It is a crying shame to offer this property at these prices; but we are helpless and must obey orders. We have also some choice strawberry and fruit lands at very low prices. Now this is an advertisement and gotten up to sell the land, and is every word true. If you don't believe it come and see it; we will be glad to show it.
