

REPUBLICANS WIN

Yesterday's Elections Have the Right Results.

MARYLAND GOES REPUBLICAN

Kentucky in Doubt; Ohio, New York, and Massachusetts Overwhelmingly Republican.

NEW YORK, Nov. 5.—New York state has been carried by the republicans, by pluralities ranging from 48,000 to 55,000. Comparing with the pluralities of 24,484 for the head of the ticket two years ago, Palmer, (rep.), for secretary of state, has carried the state above the Harlem based upon returns from 1,795 election districts out of a total of 3,383, more than one-half the outside election districts, by probably 100,000 plurality. King, (dem.), has carried New York and Kings county by a plurality of nearly 50,000, giving the head of the republican ticket a safe plurality of 50,000 in the state at large. The legislature remains as before, under the direction of the republicans.

ILLINOIS.

CHICAGO, Nov. 5.—At 8:30 indications are that the republicans have carried the election by pluralities of 25,000 to 30,000.

CHICAGO, Nov. 5.—The republicans carried the elections by pluralities of about 30,000 on the entire ticket. Ball, (rep.) for judge of the superior court, has defeated Morrison (dem.), by 30,500. The republicans elected five of the trustees of the \$30,000,000 drainage canal.

A NARROW MARGIN.

LOUISVILLE, Nov. 5.—Returns tonight give Hardin (dem.) for governor 1,222 plurality.

THE VERY LATEST.

LOUISVILLE, Nov. 5.—Up to a late hour the election is in doubt, but it is thought the returns favor the democrats.

MASSACHUSETTS.

BOSTON, Nov. 5.—The question in Massachusetts from the first was one of majority, since the democratic leaders admitted the probable re-election of Governor Greenhalge. Governor or Greenhalge and the entire republican ticket is endorsed by a plurality practically the same as that of 1894.

UTAH.

SALT LAKE, Nov. 5.—The returns indicate the adoption of the constitution by a large majority.

SALT LAKE, Nov. 5.—The republicans probably elect the governor and a majority of the legislature, but the democrats will probably get congressman.

MICHIGAN.

Detroit, Nov. 5.—Detroit has elected the entire republican ticket and added two alderman to the republican majority in the common council. Mayor Pingree was elected for the fourth term.

MARYLAND.

BALTIMORE, Nov. 5.—The News, democrat, has issued an extra in which it claims that Lowndes, republican, has carried the city by 15,000 and is elected governor.

CALIFORNIA.

SACRAMENTO, Nov. 5.—C. H. Hubbard, the A. P. A. candidate, was elected mayor today.

NEW YORK.

NEW YORK, Nov. 5.—John C. Sheehan concedes New York state to the republicans.

MINING STOCK DEPARTMENT.

Chicago Stock Exchange Will Not Establish One.

CHICAGO, Nov. 5.—The Chicago stock exchange has put itself on record against establishing a mining stock department. Messrs. Gage and Thompson favored letting the mining stocks under certain restrictions. Mr. Adsit, the minority member of the committee, reported against the proposition. Adsit's report was adopted by the governing committee by a vote of 8 to 5. There will undoubtedly be an immediate attempt at organizing a purely mining exchange. There is no doubt that Chicago is going to be given an opportunity to trade in mining securities, and if it is not on the stock exchange, it will be on a new exchange organized for that purpose. The action of the governing committee, however, does not define the position of the stock exchange, finally, and an attempt will be made to list particular stocks. The action, up to the present time has been general, and with all conservative safeguards possible the exchange may recede from its position and list some stocks upon individual application.

FRANCE'S NEW MINISTRY.

It Is Likely to Encounter Many Difficulties.

NEW YORK, Nov. 5.—A dispatch to the Herald, from Paris, says: The new radical ministry made its debut in the chamber today. It had a success with the extreme left, but the center and conservatives seemed made of marble, not a paudit, not a movement proceeded from them. M. Bourgeois was quite alive to the effect he produced. He began the reading of his declaration of policy in a very self-confident manner but presently his voice began to falter. No incident of any importance took place and the chamber adjourned to Thursday.

The prophecies made as to the duration of the new ministry continue unfavorable. It is clear that M. Bourgeois has only 160 supporters in the chamber; hence there are nearly 400 votes against him. His first difficulty will be the strike at Carmagh, which has now lasted six months, and which the government wants settled by arbitration. The workmen are willing to adopt this course, but if their employes refuse, the situation will become one of inextricable difficulty, for the present chamber will never vote for a measure directed against the interests of employers.

A DISASTROUS FIRE.

The Total Loss Will Reach Two Hundred and Thirty-five Thousand.

DECATUR, Ill., Nov. 5.—Last night's fire was got under control at 6 a. m. Linn & Scruggs' dry goods store was wrecked; the walls are all that are left of the opera house; the office building, on Water street, surrounding the opera-house proper, was saved without damage except the roof, and the rooms of the Columbia Manufacturing Company are gutted. This includes one square of the business section of Decatur. Linn & Scruggs' loss will exceed \$100,000; insurance \$102,500; Columbia Manufacturing Company, \$30,000; insurance, \$20,000; Orlando Powers' opera house, \$30,000, insurance \$20,000; Orlando Powers, other burned buildings, \$50,000; insurance, \$16,000; Harry Fisk, furniture store, loss, \$10,000; insurance, \$8,000. Total, \$235,000; insurance, \$178,000.

Ex-Governor Jerome Ill.

SAGINAW, Mich., Nov. 5.—The family of ex Governor Jerome, of this city, has received word that the governor is in a serious condition at Hot Springs, and that death is imminent.

Duchess of Marlborough's Yearly Income Will Exceed \$250,000.

NEW YORK, Nov. 5.—All parties directly interested in the marriage settlement of Miss Consuelo Vanderbilt, met at the residence of Mrs. Vanderbilt, East Seventy-second street, today. The Blenheim deeds, which date from the reign of Queen Anne, were handed Mr. Vanderbilt's lawyer, to be copied and a memorandum of the bride's settlement was read and commented upon. All information on the subject of the settlement was refused, but it is said around the hotel corridors that the yearly income Vanderbilt has settled upon his daughter exceeds \$250,000.

General Gordon at Boston.

BOSTON, Nov. 5.—General George Gordon, of Georgia, formerly of the Confederate army, delivered a lecture on "Last Days of the Confederacy" at Music Hall last night. The hall was crowded and the famous Southerner's remarks were well received. General Gordon was given a reception by Cinsley post, G. A. R.

The Story Denied.

PITTSBURG, Nov. 5.—It is reported that the Frick Coke Company has about closed a deal for the mines, ovens and all the property of the W. J. Kainey Company, the third largest producers of coke in the Connellsville region. The price is said to be \$225,000. The company owns 1000 ovens. H. C. Frick denies the story.

AFTER AMERICAN FISHERMEN.

Their Nets Were Spread on Canada's Side of Lake Erie.

SANDUSKY, O., Nov. 5.—The Canadian government is again after American fishermen. The revenue cruiser Petrel, in command of Captain Dnnn, seized a large amount of nets and fish belonging to Sandusky fisherman. Fifteen steamers and several men were engaged in fishing out of this port, and in the morning the vessels left for the fishing grounds. During the afternoon the Petrel bore down and chased them for several miles. Being unable to overtake them the Petrel confiscated the nets and fish and left for Rondeau. The seized property is valued at several hundred dollars, and belonged to the Dosh and Paritan. It is believed that the Petrel was justified in confiscating the nets, as it is presumed they were over the Canadian line.

IT WAS AN AVALANCHE

Even Old Kentucky Goes Republican.

GIVEN UP BY THE DEMOCRATS

They Concede Bradley's Election by From 4000 to 10,000 Majority—Republican Claims Greater.

The republican victory yesterday has proved even greater than the returns at first indicated. Kentucky, the stronghold of democracy, conceded by the democrats themselves to have gone republican by a majority ranging anywhere from 4000 to 10,000, while the republicans claim at least 15,000 majority in that state. The legislature is also probably safely republican. The indications are that Utah has also elected a republican governor, while the legislature is known to be republican. Late returns from Maryland, New York, Ohio, New Jersey and other states show increased majorities for the republicans over first estimates.

ILLINOIS.

Torrens Land Bill Carried by a Great Majority in Cook County.

CHICAGO, Nov. 6.—The Torrens land bill has been carried by a majority in the county of 77,257. The vote in the city for it was 75,319, and against, only 4887. The country towns were fully as strong for the measure.

Louis A. Leberger, of the real estate board commission, which was charged with the campaign for the enactment of the law and its submission to the people, was enthusiastic over the victory.

"It was the greatest fight the board ever made and we think it has accomplished a result which will be of the greatest benefit to the whole county. In effect this law puts realty in the category of quick assets where it has been an exceedingly poor asset in the past. The new law does away with all examinations of titles, and as a consequence, brokerage will fall considerably. Thus the borrower will be benefited in a large measure and the poor man who is compelled to mortgage his property will derive the largest possible cash loan instead of having to fritter away a great deal of it in fees and commissions.

"Another benefit of it is that an indemnity fund is created out of a tax of one-tenth of 1 per cent on the value of property certified for the first time. This fund is held for the protection of innocent persons who suffer loss under the operation of the law. In Austria, during 15 years, \$1,000,000 was collected in such indemnity fund, and not a single assault on it was successful. The right to the benefits of such a fund, of course, is settled in the courts. This law is in operation in some foreign countries and in every case where tried it has proved satisfactory to the people."

IT WAS AN AVALANCHE.

The Courier-Journal's Comments on the Returns.

LOUISVILLE, Nov. 6.—The Courier-Journal this morning says: "The democrats of Kentucky are asking where they stand today. It was an avalanche. The governor's race is in doubt. The legislature is in doubt. The democratic majorities in democratic strongholds have been shaved to almost nothing. As it stands, with reports from about 80 counties, Bradley has a lead of about 4000 for governor. The same ratio of democratic losses will land Mr. Bradley in the executive mansion at Frankfort."

The democrats have elected 41 representatives, the republicans 50. In nine districts the result is doubtful or unreported. These districts were democratic in the last house. If they are democratic this time the house will be a tie. Of the hold-over senators five are republicans and 14 democrats, making the vote on a joint ballot stand: Democrats, 65; republicans, 64. Of the 41 democrats elected to the house, Blackburn may safely count on 22, and McCreary 15, while four have expressed no choice. Of the 10 democratic senators elected nine are for Blackburn. The other is non-committal, and his election is also in doubt. Of the hold-over democratic senators eight are for McCreary, five for Blackburn and one doubtful. Republican headquarters claim the state by about 15,000 and the lower branch of the legislature by from 5 to 6 votes.

Conceded by Democrats.

CINCINNATI, Nov. 6.—The Times-Star special from Lexington, Ky., says the democrats concede the election of Bradley, republican, for governor, by from

8000 to 10,000. Silver democrats charge President Cleveland and Secretary Carlisle with the responsibility of the sweeping defeat.

The Legislature.

FRANKFORT, Ky., Nov. 6.—The legislature appears to stand, 65 democrats, 69 opposition. The populists hold the balance of power. Blackburn's friends claim his election with the aid of the populists.

IN OHIO.

Estimates Differ as to the Republican Plurality.

COLUMBUS, O., Nov. 6.—Chairman Anderson, of the democratic state committee, says the reports up to 12 p. m. show a republican plurality of from 80,000 to 90,000. Chairman Kurtz, of the republican committee, says the plurality will be 95,000.

Hamilton County's Record.

CINCINNATI, Nov. 6.—The plurality for Bushnell, republican, for governor, in Hamilton county, with one precinct missing, is 11,953.

Young Garfield's Victory.

AKRON, O., Nov. 6.—James R. Garfield, the son of the late president, was elected state senator from 24th and 25th districts by an enormous plurality. The district was normally republican by 10,000, but he has carried it by over 14,000. Running with him on the republican ticket was Whittlesey, who has been state senator for several years. Garfield's plurality is greater than his by 2000. The district which he will represent is almost identically the same as when his father was first chosen in 1857 to the office. A remarkable coincidence was the fact that Garfield was nominated July 2, the 14th anniversary of his father's assassination. He is a graduate of the Columbian school of New York, and for several years has practiced law in Cleveland. He resides in Mentor.

MARYLAND.

Incomplete Returns Indicate Lowndes's Election by 15,000 Majority.

BALTIMORE, Nov. 6.—The Baltimore vote for governor is complete, and as follows: Lowndes, rep., 55,110; Hurst, dem., 48,327; Levinger, pro., 20,377; Andrews, peo., and soc., 433. The republicans have a majority of 16 in the city council and elect the entire city and county tickets. Incomplete returns from the state, including Baltimore, indicate the election of Lowndes, republican candidate for governor, by at least 15,000 to 16,000 majority, carrying with him the comptroller and attorney-general. The house of delegates will perhaps have more than 60 republicans. The senate will be close, with chances in favor of a republican majority. On the joint ballot the republicans will have a safe majority.

NEW YORK.

Political Complexion of the Empire State's Next Legislature.

NEW YORK, Nov. 6.—Corrected returns from nearly all the election districts show the state senate consists of 35 republicans, 14 democrats and 1 independent, the assembly of 99 republicans and 51 democrats.

In this city the majority for the democratic state ticket is approximated at 10,000 greater than the average majority of Tammany local candidates, which are from 25,000 for Sogmir, for recorder, to 17,000 for Parroy, for county clerk.

UTAH.

Net Republican Gain, for Governor, So Far as Reported, 1017.

SALT LAKE, Nov. 6.—The Tribune's extra edition gives the returns from 145 voting precincts as follows: Wells, rep., for governor, 13,028; Caine, dem., 11,850; net republican gain, 1017. The same precincts last year gave Cannon, rep., 12,052. The same precincts give Allen, for congress, a majority of 686. In this judicial district the indications point to the defeat of all republican nominees. The legislature will be republican.

KENTUCKY.

Hardin Acknowledges the Election of Bradley.

WASHINGTON, Nov. 6.—A special to the Star from Louisville, Ky., says: Hardin concedes the election of Bradley and the republicans claim the legislature, which would defeat Senator Blackburn. A private telegram from Mr. Vansenden, Secretary Carlisle's private secretary, now in Kentucky, says Bradley is elected governor by from 4000 to 8000.

Ecuador's New Ministry.

NEW YORK, Nov. 5.—A Herald correspondent to Guayaquil says:

The new ministry is as follows: Department of interior, Jose Luis Tamayo; foreign affairs, Ignacio Robles; finance, Lizardo Garcia; war, General Morales; public works, Davio Moria; public instruction, Victor Govgotena. Luis Filip Carbo is named as minister plenipotentiary to the United States.

STRIKERS ENJOINED

Petition of the Great Northern Granted.

ORDER ISSUED BY JUDGE HANFORD

Operation of the Road Must Not Be Interfered With—Injunction Served at Spokane.

WALLA WALLA, Wash. Nov. 7.—At midnight last night Jay H. Adams, attorney for the Great Northern at Spokane, applied to Judge Hanford of the federal court, now in session here, for an order enjoining the strikers from interfering with the operation of the road. Accompanying the petition was an affidavit, setting forth that Dan Reardon and other members of the A. R. U., had been unlawfully obstructing and interfering with the operation of the road, including the carrying of United States mails and interstate traffic, by means of intimidation, threats of violence upon railroad employes, and threats of the destruction of these property.

Judge Hanford issued an order to defendants to appear before him in Seattle November 23, to show cause why they and other members of the A. R. U. should not be restrained and enjoined from interfering with the operation of said road. Until such hearing Judge Hanford issued a temporary injunction, restraining the defendants and their associates from molesting or causing the destruction of the buildings, or rolling stock equipment of the road, or from assaulting, threatening, or intimidating the employes to cause them to leave the employ of the company. They were also enjoined from further combining and conspiring together unlawfully to obstruct or embarrass the railroad company in the conduct of its business. The injunction was telegraphed to Spokane immediately and given to a deputy United States marshal for service.

INDICTMENTS NOLLED.

Charges Against These Men Will Be Pushed No Farther.

MILWAUKEE, Nov. 7.—Judge Seamen nolle the indictments against Eugene V. Debs, L. W. Rogers, Sylvester Kelliker, Frank W. Archibald, C. S. McAuliffe, Walter L. Dunn, Wm. Crimmons, John C. Calahan, D. A. Sullivan, Chas. Van Ellis, M. L. Joban, John Poulter, E. B. Dawes, Wm. Horan, F. Zimmerman and Sims. The first four were officers of the A. R. U., Archibald and McAuliffe presidents of local lodges, and the others active members of the order who were charged with taking men from their work during the strike last year. The action was taken by Special Agent Fish and District Attorney Wedgman on instructions from the attorney-general. When the order was entered neither the accused nor their attorneys were present. The news of the action taken was a great surprise when it became known. It had been expected that Debs would be served with an indictment as soon as he was released from Woodstock jail. Most of the local men have been waiting about the city, out of work, but unable to leave until their cases were decided.

NEW MEN SENT OUT.

Great Northern Will Fill Vacancies in Its Service.

CHICAGO, Nov. 7.—A dispatch from St. Paul says: The Great Northern Railway Company has taken steps to put its service back upon its old footing. Men have gone out at Kalispell, Mont.; Hillyard, Wash.; Devil's Lake, N. D., and St. Cloud, Minn. Men to take their places have been brought here from Chicago, St. Louis and Southern Illinois points. They leave today for points on the Great Northern where men have gone out. Colonel Dodge, of Minneapolis, is here to look after the legal side of the strike situation.

The Battle-ship Texas.

NEW YORK, Nov. 5.—The battle ship Texas has gone into the dry-dock at the Brooklyn navy yard, where her bottom will be scraped. When this has been done the Texas will have a speed trial. After this she and the Maine will go into the North Atlantic squadron.

Prisoners Transported.

MTANKAS, Nov. 7.—Over 450 political prisoners, it is thought, have been sent to Ceuta, Africa, since the beginning of the revolution.

Griggs' Large Plurality.

TRENTON, N. J., Nov. 6.—The estimated plurality of Griggs, republican candidate for governor, is 24,300.

Make a Pie Shorten it with Cottolene instead of lard and see what a crisp crust it will have; how delicious and wholesome it will be. Pie made with Cottolene will do a dyspeptic good. Do everybody good because it is good. There is only one secret in cooking with Cottolene—use but two-thirds as much as you would naturally use of lard. Follow this rule and Cottolene will do the rest. Genuine is sold everywhere in tins with trade-marks—'Cottolene' and 'Star's head' in cotton-plant wreath—on every tin. Made only by THE N. K. FAIRBANK COMPANY, St. Louis, Chicago, New York, Boston, Portland, Oregon, San Francisco, Seattle, Wash., and other cities.

At Devil's Lake.

MINNEAPOLIS, Nov. 7.—A Devil's Lake (N. D.) dispatch says: "The backbone of the Great Northern strike was broken this morning by the arrival of a train with 70 special policemen, 38 new conductors, 25 brakemen and three firemen. Detectives are patrolling the yards and trains have all started out. The recruits enlisted at Chicago by a detective agency are a sorry-looking lot for clothing, but there has been no disturbance and none is expected."

ITS WORK FINISHED.

Talk of Incorporating the Pacific Improvement Company.

SAN FRANCISCO, Nov. 7.—The Examiner says the Southern Pacific Company has under consideration the advisability of incorporating the Pacific Improvement Company, a concern formed to develop the properties of the road. C. P. Huntington, president of the Southern Pacific Company, while denying the statement in part, says that the work of the Pacific Improvement Company is finished, and that it would be abandoned if the company could dispose of what it owns.

In Massachusetts.

BOSTON, Nov. 6.—The Massachusetts legislature stands: Senate, 33 republicans, 7 democrats, a democratic gain of 1; house of representatives, 174 republicans, 65 democrats, a democratic gain of 3.

Governor Greenhalge is re-elected by 63,444 plurality, 1933 less than his plurality last year. Municipal suffrage for women was defeated by about 75,000.

Many people, when a little constipated, make the mistake of using saline or other drastic purgatives. All that is needed is a mild dose of Ayer's Pills to restore the regular movement of the bowels, and nature will do the rest. They keep the system in perfect order.

Riot Among Japanese Laborers.

COLON, Fov. 7.—There was a riot recently among the Japanese laborers on a plantation on the island of Martinique which resulted in much bloodshed.

"Turn the rascals out!"—the fan far party-cri—may be applied to microbes as well as to men. The germs of disease that lurk in the blood are "turned out" by Ayer's Sarsaparilla as effectually as the old postmasters are displaced by a new administration.

Prisoners Transported.

MTANKAS, Nov. 7.—Over 450 political prisoners, it is thought, have been sent to Ceuta, Africa, since the beginning of the revolution.

Griggs' Large Plurality.

TRENTON, N. J., Nov. 6.—The estimated plurality of Griggs, republican candidate for governor, is 24,300.
