Said-in Opera House.

On Wednesday evening, the 20th inst., the Howe-Dramatic Company begins its four night's engagement with the charming play, "Tony the Outcast." The company is a strong one, the scene is located in the sunny South, and the romance, after many difficulties and trials, ends in the happiness for the chief sufferers, the heroine is supposed to be the daughter of an outcast and escaped convict, and is about to marry the man of her choice. But a scheming cousin, who has overheard the family secret, threatens the return of the outcast to prison. Both the outcast and the heroine of the play refuse to comply with the demand of the scheming cousin, and the outcast is arrested, in the meantime the discovery is made that the heroine is not the outcast's daughter and in the final act everything is adjusted and the happiness of all is brought about. Miss Essie Tittel plays the "Outcast's Daughter," Mr. Frank Readeck "The Outcast," Miss Milly Freeman "Ruby," and during the performance she will sing her great Eastern success, "Her Golden Hair was Hanging Down Her Back" and "The Streets of Cairo." Mr. Bert VanCleve, a comedian of pronounced ability, having been with the Frohman Co. for two seasons, has the comedy part, "Weary Wayside," in the "Outcast" and his singing has met with great success during his engagement with this company. Mr. Cornell Mackin, who takes the part of "Col. Nelson," the banker, will sing "A Father's Love" and it is one of the sweetest songs sang on the stage today. Following "Tony, the Outcast" will be "Monte Cristo" and the "American Girl," with the two little children, Master Pardee and Miss Queenie. The press have pronounced these two the best performers on the stage of today. General Agent J. M. Phillips informs us that his company carries their own scenery and that he has made arrangements with Manager Birgfeld to have the entire orchestra during each and every performance.

South Waucoma Addition to Hood River.

The owner of this, the most beautiful residence portion of this beautiful village, has notified us that money must be had and to cut the prices until they will sell, and so we have made a slash of from 25 to 40 per cent. on everything placed in our hands. When you realize the fact that the beautiful new \$9,000 schoolhouse is built in this addition and that this property surrounds it, you will know that it is offered at prices below anything ever known. We have three 5-acre tracts, two blocks from new schoolhouse, for \$750 each, or a rate of \$150 per acre. No land in this addition has ever sold for less than \$600 per acre and never will be again. We have also lots in adjoining block to the schoolhouse ranging from \$75 to \$250, according to location and size, no lot less than 50x100 feet. Now see what you think of this: We have an 8-room hard finished house with six lots, the house cost \$1,200, ordinary price of lots in same locality \$200; the former price at which this has been held was \$2,500. We now offer this beautiful property at the ridiculous figure of \$1,200. We have an adjoining house of six rooms, hard finished, with three lots, the very finest residence location in the city, only \$800. It is a crying shame to offer this property at these prices; but we are helpless and must obey orders. We have also some choice strawberry and fruit lands at very low prices. Now this is an advertisement and gotten up to sell the land, and is every word true. If you don't believe it come and see it; we will be glad to show it.
