A SPECIFIC FOR La Grippe, for Colds, Coughs, AND LUNG TROUBLES, AYER'S CHERRY PECTORAL

"Two years ago, I had the grippe, and it left me with a cough which gave me no rest night or day. My family physician prescribed for me, changing the medicine as often as he found the things I had taken were not helping

me, but, in spite of his attendance, I got no better. Finally, my husband,—reading one day of a gentleman who had had the grippe and was cured by taking Ayer's Cherry Pectoral,—procured, for me, a bottle of this medicine, and before I had taken half of it, I was cured. I have used the Pectoral for my children and in my family, whenever we have needed it, and have found it a specific for colds, coughs, and lung troubles."

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.

The Discovery Saved His Life. Mr. G. Cailoutee, Druggist, Bearersville, Ill. says: "To Dr. King's New Discovery I owe my life. Was taken with La Grippe and tried all the physicians for miles about, but of no avail and was given up and told I could not live. Having Dr. King's New Discovery in my store I sent for a bottle and began its use and from the first dose began to get better, and after using three bottles was up and about again. It is worth its weight in gold. We won't keep store or house without it." Get a free trial at Blakeley & Houghton's Drug Store.

Mrs. W. B. Meek, who resides at Camptonville, Cal., says her daughter was for several years troubled at times with severe cramps in the stomach, and would lie in such agony that it was necessary to call in a physician. Having read about Chamberlain's Colic, Cholera and Diarrhoea Remedy she concluded to try it. She found that it always gave prompt relief. It was seldom necessary to give the second dose. "It has not only saved us lots of worry and time," she says, "but also doctor bills. It is my opinion that every family should have a bottle of this remedy in the house." For sale by Blakeley & Houghton, Druggists.

South Waucoma Addition to Hood River.

The owner of this, the most beautiful residence portion of this beautiful village, has notified us that money must be had and to cut the prices until they will sell, and so we have made a slash of from 25 to 40 per cent. on everything placed in our hands. When you realize the fact that the beautiful new \$9,000 schoolhouse is built in this addition and that this property surrounds it, you will know that it is offered at prices below anything ever known. We have three 5-acre tracts, two blocks from new schoolhouse, for \$750 each, or a rate of \$150 per acre. No land in this addition has ever sold for less than \$600 per acre and never will be again. We have also lots in adjoining block to the schoolhouse ranging from \$75 to \$250, according to location and size, no lot less than 50x100 feet. Now see what you think of this: We have an 8-room hard finished house with six lots, the house cost \$1,200, ordinary price of lots in same locality \$200; the former price at which this has been held was \$2,500. We now offer this beautiful property at the ridiculous figure of \$1,200. We have an adjoining house of six rooms, hard finished, with three lots, the very finest residence location in the city, only \$800. It is a crying shame to offer this property at these prices; but we are helpless and must obey orders. We have also some choice strawberry and fruit lands at very low prices. Now this is an advertisement and gotten up to sell the land, and is every word true. If you don't believe it come and see it; we will be glad to show it.
