COMMENT OF OREGON EDITORS

Pendleton East Oregonian: The locks at the Cascades will not be completed as promised. Promises of men engaged on government works are like pie crust, made to be broken.

La Grande Chronicle: There are complaints in almost all portions of the state that sheriffs are charging fees, as under the old system, for services, when they are not allowed by the statutes to charge fees, except for certain special services.

Portland Argus: The statement that business in this city has been materially injured by the flight of people to San Francisco, is inspired by misapprehension rather than by fact.

Blakeley & Houghton, the druggists, will tell you that no one is better qualified to judge of the merits of an article than the dealer, because he bases his opinion on the experience of all who use it.

A jury was secured last evening in the murder trial of Lee Ching, who is charged with participation in the murder of Lock Wo last August.

When persons are weak and languid, from sickness or overwork, feel debilitated and depressed, it is an indication that the blood is out of order, and they need help to throw off the miserable feeling?

Sheriff Driver is in Portland on matters concerning the trial of the men charged with stealing sheep from the late Solomon Houser.

Mr. E. B. McFarland came up from Portland yesterday. Mr. McFarland was formerly one of The Dalles' best known residents but for several years has lived in Portland.

The success that has attended the use of Dr. J. H. McLean's Volcanic Oil Liniment in the relief of pain and in curing diseases which seemed beyond the reach of medicine, has been truly remarkable.

An Increased Attendance.

Gratifying reports come of the progress our city schools are making. Last year the attendance greatly exceeded the enrollment of the previous one; but this year shows an increased number over 1894.

South Waucoma Addition to Hood River.

The owner of this, the most beautiful residence portion of this beautiful village, has notified us that money must be had and to cut the prices until they will sell, and so we have made a slash of from 25 to 40 per cent. on everything placed in our hands. When you realize the fact that the beautiful new \$9,000 schoolhouse is built in this addition and that this property surrounds it, you will know that it is offered at prices below anything ever known. We have three 5-acre tracts, two blocks from new schoolhouse, for \$750 each, or a rate of \$150 per acre. No land in this addition has ever sold for less than \$600 per acre and never will be again. We have also lots in adjoining block to the schoolhouse ranging from \$75 to \$250, according to location and size, no lot less than 50x100 feet. Now see what you think of this: We have an 8-room hard finished house with six lots, the house cost \$1,200, ordinary price of lots in same locality \$200; the former price at which this has been held was \$2,500. We now offer this beautiful property at the ridiculous figure of \$1,200. We have an adjoining house of six rooms, hard finished, with three lots, the very finest residence location in the city, only \$800. It is a crying shame to offer this property at these prices; but we are helpless and must obey orders. We have also some choice strawberry and fruit lands at very low prices. Now this is an advertisement and gotten up to sell the land, and is every word true. If you don't believe it come and see; we will be glad to show it.
