

LOSS OF VOICE After Acute Bronchitis CURED BY USING AYER'S Cherry Pectoral

A PREACHER'S EXPERIENCE. "Three months ago, I took a violent cold which resulted in an attack of acute bronchitis. I put myself under medical treatment, and at the end of two months was no better. I found it very difficult to preach, and concluded to try Ayer's Cherry Pectoral.

Pectoral. The first bottle gave me great relief; the second, which I am now taking, has relieved me almost entirely of all unpleasant symptoms, and I feel sure that one or two bottles more will effect a permanent cure. To all ministers suffering from throat troubles, I recommend Ayer's Cherry Pectoral.—E. M. BRAWLEY, D. D., Dist. Secretary, Am. Bapt. Publication Society, Petersburg, Va.

A Pleasant Event.

The following communication was received too late for publication yesterday and is printed today: THE DALLES, Ore., Dec. 18, 1895.

DEAR SISTERS AND BROTHERS:—Columbia chapter, No. 33, O. E. S. of The Dalles, Oregon, held their annual election in the city on Tuesday, Dec. 17, and elected the following officers.

Mrs. Mary Scott Myers, Worthy Matron; Mr. J. B. Crossen, Worthy Patron; Mrs. Ella Garretson, Associate Matron; Mrs. Emilie Sanders, Conductress; Mrs. Mary Biggs, Associate Conductress; Mrs. Sallie Clark, Treasurer; Miss Lena E. Snell, Secretary.

We have a membership of fifty and feel that this chapter is on the high road to prosperity. The members are very much enthused over the work, and are particularly anxious to have everything done to the letter. Brother H. A. Baker, our present Worthy Patron, and Sister Cora Miller, both have been untiring in their efforts for the upbuilding of our chapter, and we feel very sorry that they can be with us no longer.

They have moved this week to Portland, where they will reside. A banquet was given in their honor, and while all were present at the table, our Worthy Matron presented to Mr. Baker and Mrs. Miller each a golden souvenir spoon, in behalf of the chapter, as a token of respect and affection. It was after 11 o'clock when all dispersed to their homes, feeling that a pleasant evening had been profitably spent.

Respectfully, L. E. S., Sec.

The snow-plow arrived from Portland at 1:10 this morning, and fifteen minutes later the passenger train rolled into town. No great difficulty was experienced by the snow-plow from Portland to The Dalles, though three large drifts were encountered. The freight train which left here yesterday morning at 8 o'clock, was at Hood River at 2 this morning, having spent the most of the interim in a drift between Mosier and Hood River, where it was rescued by the rotary. The work-trains between here and Portland have been abandoned for the winter, as any further improvement to the roadway is impossible till spring. A few freight trains will be run today, but the railroad officials intend that the track shall be kept cleared for passenger traffic. Very little inconvenience to the traveling public has been caused thus far by the snow.

The country has reason to rejoice at the bountiful fall of snow which it has received. Before it fell the ground had not frozen, and so when the snow melts the ground will get a good moistening and be in splendid condition for plowing in the early spring. The late fall or winter plowing has been interfered with, but the result will prove good. Reports from the stockmen go to show that they all have feed to stand a good siege, and the winter loss will not be more than the average. Stock raising is conducted on a different plan in this country than in former years, and the close of each fall sees the stockmen well provided with winter feed. A freeze without the snow would have been unwelcome, but as it is, everyone, except the chronic grumbler, is satisfied.

The board of school directors has decided to make pay day earlier than usual and instead of receiving their salaries on the first Monday in January, the teachers will receive them today. School Clerk Jacobson has been busy making out the warrants and has them ready for the teachers. The amount figures up to over \$1000, so quite an amount of money will be added the fund in circulation for the holidays, as school teachers like to buy presents as does every other well-ordered person. There are fifteen teachers employed in The Dalles public schools. This act of the school board is a considerate one and should be imitated by employers wherever possible.

Teague-Johnston Wedding.

At the residence of the bride's father, Mr. G. W. Johnston, this morning, W. C. Curtis, pastor of the Congregational church, united in marriage Mr. Robert E. Teague and Miss Lettie M. Johnston. The ceremony was witnessed by the immediate relatives and friends of the family. Both the contracting parties are well known in The Dalles, where for several years they have resided. Mr. and Mrs. Teague left on the afternoon train for a bridal tour to Portland. Upon their return they will make their home in this city.

August Buchler has come into possession of an elk's head and antlers, which cause much admiration from all beholders. They are undoubtedly as fine a specimen as most of the people ever see. Mr. Buchler secured them from an Indian several days ago, who was loath to part with them and only did so because the "spondulies" were a necessity, and the head and antlers had a luxury. The Indian said he killed the elk a few miles south of Mt. Hood and that the event was of recent date, can be seen by the appearance of the trophy. Pieces of the flesh clinging to the skin show that the animal is but a short while dead. The head and antlers have caused a desire among the members of the Elk order to obtain them and it is probable that they will secure the prize and have it sent to a Portland taxidermist for mounting. Mr. Buchler has received several tempting offers for his acquisition. Elk, of this description, are not so common in this region but that so fine a specimen is a thing of curiosity.

Marshal Blakeney gives notice to those people who have not cleaned off their sidewalks to do so without further delay. The ordinance provides that the sidewalks shall be cleaned within ten hours from the time of the fall and a penalty is attached to meet this requirement. So in order to save trouble and costs, the sidewalks had better be cleaned. Pedestrians have a way of judging people by the way they clean their sidewalks.

South Waucoma Addition to Hood-River.

The owner of this, the most beautiful residence portion of this beautiful village, has notified us that money must be had and to cut the prices until they will sell, and so we have made a slash of from 25 to 40 per cent. on everything placed in our hands. When you realize the fact that the beautiful new \$9,000 schoolhouse is built in this addition and that this property surrounds it, you will know that it is offered at prices below anything ever known. We have three 5-acre tracts, two blocks from new schoolhouse, for \$750 each, or a rate of \$150 per acre. No land in this addition has ever sold for less than \$600 per acre and never will be again. We have also lots in adjoining block to the schoolhouse ranging from \$75 to \$250, according to location and size, no lot less than 50x100 feet. Now see what you think of this: We have an 8-room hard finished house with six lots, the house cost \$1,200, ordinary price of lots in same locality \$200; the former price at which this has been held was \$2,500. We now offer this beautiful property at the ridiculous figure of \$1,200. We have an adjoining house of six rooms, hard finished, with three lots, the very finest residence location in the city, only \$800. It is a crying shame to offer this property at these prices; but we are helpless and must obey orders. We have also some choice strawberry and fruit lands at very low prices. Now this is an advertisement and gotten up to sell the land, and is every word true. If you don't believe it come and see it; we will be glad to show it.
