science Science is "knowing how." The only secret about Scott's Emulsion is years of science. When made in large quantities and by improving methods, an emulsion must be more perfect than when made in the old-time way with mortar and pestle a few ounces at a time. This is why Scott's Emulsion of cod-liver oil never separates, keeps sweet for years, and why every spoonful is equal to every other spoonful. An even product throughout.

In other emulsions you are liable to get an uneven benefit—either an over or under dose. Get Scott's. Genuine has a salmon-colored wrapper.

None But Ayer's at the World's Fair. Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

A. E. Kilpatrick, of Fillmore, Cal., had the misfortune to have his leg caught between a cart and a stone and badly bruised. Ordinarily he would have been laid up for two or three weeks, but says: "After using one bottle of Chamberlain's Pain Balm I began to feel better, and in three days was entirely well. The peculiar soothing qualities which Chamberlain's Pain Balm possesses I have never noticed in any other liniment. I take pleasure in recommending it. This liniment is also of great value for rheumatism and lame back. For sale by Blakeley & Houghton, Druggist."

Geo. W. Jenkins, editor of the Santa Maria "Times," Cal., in speaking of the various ailments of children said: "When my children have croup there is only one patent medicine I ever use, and that is Chamberlain's Cough Remedy. It possesses some medical properties that relieve the little sufferers immediately. It is, in my opinion, the best cough medicine in the market." If this remedy is freely given as soon as the croup cough appears it will prevent the attack. It is also an ideal remedy for whooping cough. There is no danger in giving it to children, as it contains nothing injurious. For sale by Blakeley & Houghton, Druggist.

A January thaw is always more productive of colds and coughs than a January freeze. Then is the time Ayer's Cherry Pectoral is needed and proves so extremely efficacious. Ask your druggist for it, and also for Ayer's Almanac, which is free to all. Dr. Soifele, an eminent physician of Tennessee, says: "I regard Ayer's Sarsaparilla as the best blood medicine on earth, and I know of many wonderful cures effected by its use." Physicians all over the land have made similar statements. Hall's Hair Renewer cures dandruff and scalp affections; also all cases of baldness where the glands which feed the roots of the hair are not closed. LOST. One bay mare, branded on right shoulder with an M, with a slightly curved horizontal line beneath; white spot in face and white right hind foot. A suitable reward will be paid for information leading to her recovery. C. M. BONNER, The Dalles, Or. d20-1mo.

Rub in Vigorously. Mustang Liniment conquers Pain, Makes Man or Beast well again.

For the many accidents that occur about the farm or household, such as burns, scalds, bruises, cuts, ragged wounds, bites of animals, mosquitoes and insects, galls or chafed spots, frost bites, sores and pains on any part of the body, or the ailments resulting from exposure, as neuralgia, rheumatism etc. Dr. J. H. McLean's Volcanic Oil Liniment has proven itself a sovereign remedy. Price 25c, 50 and \$1.00 per bottle. Snipes-Kinnersly Drug Co.

When persons are weak and languid from sickness or overwork, feel debilitated and depressed, it is an indication that the blood is out of order, and they need help to throw off the miserable feeling? The best remedy for this purpose is Dr. J. H. McLean's Strengthening Cordial and Blood Purifier. It restores lost strength, gives vigor to circulation, promotes good appetite and a flow of cheerful spirits. Snipes-Kinnersly Drug Co.

During the past year the members of the Woodman lodge in The Dalles were called upon to pay only ten assessments, and the new year starts off with no assessments being levied for January. The order is in a prosperous condition as can be told by the infrequency of assessments.
