THE DALLES, OREGON

A SIX-MILL TAX VOTED

At the School Meeting Yesterday—The Matter of a New Building Postponed till Next March.

The school meeting held yesterday afternoon in the Court street school-house, was largely attended by taxpayers. The meeting was called to order by Director O. D. Doane, who presided over its deliberations, Director Kinerly being present, but Mr. Adams, the other director, being confined to his home by illness. The objects for which the meeting was called were stated by the chairman, after which the county clerk's statement of taxable property was read by School Clerk Jacobsen. An informal report from the directors was made, stating the amount of expenses for the ensuing year and the estimated revenue under a six-mill tax. This estimate is as follows:

Six-mill tax on prop valuation \$1,181,000 Due from county and state (est) 5,000.00 Due from tuition (est) 600.00

Total \$12,716.00 The expenses are roughly estimated at \$11,000, though it is probable they may exceed these figures somewhat.

After the report from the board, Mr. C. L. Phillips, in order to get the matter before the meeting, moved that a six-mill tax be levied. Mr. Barnett moved to amend by making it five mills. The motion and amendment were both seconded. Quite an extended discussion followed, during which the suggestion was made of reducing the teachers' salaries. Some thought that the salaries as now paid were too high; others were of the opinion that some teachers were being paid too much and some were not. No definite action was taken, however, and cries of "question on the amendment!" brought the five-mill proposition before the meeting. The vote solved a decided majority against the amendment, and when the motion for a six-mill tax was voted upon, the vote was practically unanimous in its favor. This settled the matter of the tax.

The other subject that came up was the necessity for more room. Director Doane stated that the board saw the necessity of providing additional accommodations for the district, and definite action must soon be taken. A plan which has recommended itself to the board was for the district to build an eight-room building, either of brick or wood, upon the vacant ground west of the academy. This building might have four school rooms down stairs and upstairs have a large assembly room which could be divided by folding doors. Two recitation rooms could flank the assembly room. Such a building, if built of brick, would cost, it is estimated, \$7,000 and the furnishings about \$3,000. The indebtedness of the district is now \$6,500 and the new building, at the cost estimated, would increase the debt to \$16,000. The directors stated that there were parties who were willing to lend the district this amount of money upon long time at six per cent interest, provided they would be the sole creditors. This plan was carefully listened to by the taxpayers, but no action was taken, and it was moved that the matter be postponed until the regular meeting in March. During the intervention it is hoped the matter will be fully discussed.

At the Baldwin Last Night.

The Effie Ellsler Company scored another great success at the Baldwin last night in their performance of Shakespeare's beautiful pastoral comedy, "As You Like It." The piece was widely different from the one presented the previous evening and gave the members of the cast good opportunities to display their powers in lighter roles. Miss Ellsler as Rosalind, interpreted the character faithfully and showed how varied were the powers of her acting. Mr. Blinn, as Orlando, suffered nothing by comparison with his work of the previous night. Mr. Frank Weston took the part of Touchstone, the jester, and acted the part in an inimitable manner. None of Shakespeare's comedies permit of more pleasing reproduction than the story of Rosalind and her lover and the play was admirably rendered in all respects by this capable company.

The audience last night was fair in size, but the theatre should have been crowded. The efforts of Mr. Birgfeld to secure the highest class performances for The Dalles are worthy of being encouraged, and such performances as those of the Ellsler Company are not common occurrences.

The troupe left on last night's train for Pendleton, where they are billed for this evening.

THE DALLES AND PENDLETON TOO MUCH IN DEBT.

The Dalles school district has warrants outstanding to the amount of \$6,580. It appears that all the school districts of the larger towns have made too free use of the pernicious credit system.

Pendleton's floating indebtedness is above \$50,000. This means that \$4000 a year has to be contributed by taxpayers to pay interest. This is a burden that can and should be eliminated by the strictest economy. Pendleton's government costs more than it is worth. It costs more by far than the government of The Dalles, which is as large a town as Pendleton.—East Oregonian.

The "Green Goods" Swindle.

The method employed by the green goods men in fleecing their victims is fully illustrated in the down east play, "Uncle Josh Spruceby." When Uncle Josh goes to New York in search of his daughter he resolves to "kill two birds with one stone," and consummate a deal in "green goods"—which article has been described to him through the medium of the "green goods" circular. He readily finds his man through the instructions given him, and in a very short time he is minus his money, and returns home and sadder and wiser man.

Two Lives Saved.

Mrs. Phoebe Thomas, of Junction City Ill, was told by her doctors she had consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery completely cured her and she says it saved her life. Mr. Thos. Eggers, 139 Florida St. San Francisco, suffered from a dreadful cold, approaching consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is such results, of which these are samples, that prove the wonderful efficacy of this medicine in Coughs and Colds. Free trial bottles at Blakeley & Houghton's Drug Store. Regular size 50 cents and \$1.00.
