None But Ayer's at the World's Fair. Ayer's Sarsaparilla enjoys the extraordinary distinction of having been the only blood purifier allowed on exhibit at the world's fair, Chicago. Manufacturers of other sarsaparillas sought by every means to obtain a showing of their goods, but they were all turned away under the application of the rule forbidding the entry of patent medicines and nostrums. The decision of the world's fair authorities in favor of Ayer's Sarsaparilla was in effect as follows: "Ayer's Sarsaparilla is not a patent medicine. It does not belong to the list of nostrums. It is here on its merits."

The Christian church was filled to overflowing last evening with those who came to hear Rev. I. H. Hazel in his interesting series of sermons on Revelations. He finds no difficulty in interpreting the wonderful symbols of that most perplexing book of the Bible, and gives them a meaning most significant in the light of history. His text last evening was "Sealing the 144,000," referring to the twelve tribes of Judea of 12,000 each. The Roman Catholia church contended, according to the speaker, that the sealing was done with holy water by the index finger of the priest upon the foreheads of those composing the tribes, but he believed the sealing was not done in so material a manner, but that the spirit was sealed for God through a more convincing process. The angels, who held the four winds, standing at the four corners of the earth were four great earthly powers, who became subject to the angel rising from the sunrise. Constantine was this angel, or messenger, as the literal meaning is, who by conquering the four great powers, had control over the four angels.

what you get when you take Dr. Pierce's Pleasant Pellets; they're free from the violence and the griping that come with the ordinary pill. The best medical authorities agree that in regulating the bowels mild methods are preferable. For every de-rangement of the liver, stomach and bowels, these tiny, sugar coated pills are most effective. They go about their work in an easy and natural way, and their good lasts. Once used, they are always in favor. Being composed of the choicest, concen-trated vegetable ex-

trated vegetable extracts, they cost much more than other pills found in the market, yet from forty to forty-four are put up in each sealed glass vial, as sold through druggists, at the price of the cheaper made pills.

"Pleasant Pellets" cure billousness, sick and billous headerha dirringss coeffice. "Pleasant Pellets" cure biliousness, sick and bilious headache, dizziness, costiveness, or constipation, sour stomach, loss of appetite, coated tongue, indigestion, or dyspepsia, windy belchings, "heart-burn," pain and distress after eating, and kindred derangements of the liver, stomach and bowels. Put up in sealed glass vials, therefore always fresh and reliable. Whether as a laxative, or in larger doses, as a gently acting but searching cathartic, these little "Pellets" are unequaled.

As a "dinner pill," to promote digestion, take one each day after dinner. To relieve the distress arising from over-eating, noth-

take one each day after dinner. To relieve the distress arising from over-cating, nothing equals one of these little "Pellets." They are tiny, sugar-coated, anti-bilious granules. Any child readily takes them. Accept no substitute that may be recommended to be "just as good." It may be better for the dealer, because of paying him a better profit, but he is not the one who needs help.

A free sample (4 to 7 doses) on trial, is mailed to any address, post-paid, on receipt of name and address on postal card.
