The Hood River Ball.

It was a jolly lot of young ladies and gentlemen that boarded the Regulator last night for Hood River, to attend the Maccabees ball. They left at 7 o'clock, arriving at their destination at 8:30, and were met at the landing by teams sent out by that order. The hall was beautifully decorated with evergreens, and the guests were bidden a merry welcome within its walls. The festivities lasted until 1:30 o'clock, followed by a choice supper. The following were the committees: Reception-H. F. Davidson. G. E. Williams, C. A. Bell, J. H. Ferguson, J. F. Matt. Floor managers-J. E. Rand, C. E. Markham, E. V. Husbands, M. F. Loy, A. B. Jones.

About 1:30 o'clock it became apparent that the best of friends must part, and although loth to leave the genuine hospitality and capital entertainment provided by the Hood River folks, the Regulator whistle warned them that the hour approached for departure, and about 4 o'clock the boat again drew up alongside the wharf at The Dalles. There were a few who vainly supposed they could cradle themselves in the arms of Morphens during the trip from Hood River up, but they were deceived. The most unearthly noises that ever disturbed the quiet night were made by the marauders to whom sleep was no object. With horns and pans and anything that would make the most noise, the high and byways of the boat were searched for revelers who had yielded to seductive sleep. And the joy that arose over the reclamation of the poor unfortunate from the land of Nod was more demonstrative than the Salvation Army. But when the grey dawn of another day broke in the Orient, the deck of the Reg-McNamany of Dufur are in town for the ulator was deserted, and those who had gone to sleep but not to bed, went to bed and to sleep. Thus ended the Maccabees ball.

The Great Tobacco War.

The head of one of the largest St. Louis manufactories of plug tobacco said today: About two years ago we put on the market a brand of plug tobacco, and when we figured it out, we found we had lost just seven cents a pound. Battle Ax Plug Tobacco, I am told, sells for one cent per pound less than our brand, which would make the loss on it nine cents per pound. "Battle Ax," however, is superior to the one we put out, and must cost more to manufacture. Twenty million pounds of Battle Ax plug tobacco were sold, on which I bebelieve there must have been a loss of at least ten cents a pound, so on this item alone there seems to have been a loss of \$2,000,000.

From the above statement of a large pluz tobacco manufacturer, who evidently knows what he is talking about, it would seem to us that the only one who is benefiting by the Tobacco War is the man who chews "Battle Ax," for he is certainly getting the full worth of his money every time he buys it.

THE BEST

Is SIMMONS LIVER REGULATOR—don't forget to take it. The Liver gets sluggish during the Winter, just like all nature, and the system becomes choked up by the accumulated waste, which brings on Malaria, Fever and Ague and Rheumatism. You want to wake up your Liver now, but be sure you take SIMMONS LIVER REGULATOR to do it. It also regulates the Liver-keeps it properly at work, when your system will be free from poison and the whole body invigorated.

You get THE BEST BLOOD when your system is in A1 condition, and that will only be when the Liver is kept active. Try a Liver Remedy once and note the difference. But take only SIMMONS LIVER REGULATOR—it is SIMMONS LIVER REGULATOR which makes the difference. Take it in powder or in liquid already prepared, or make a tea of the powder; but take SIMMONS LIVER REGU-LATOR. You'll find the RED Z on every package. Look for it.
