be the nearest place."

"Who has?"

The old pioneers are fast passing away, and with them, too often, interthe state's sweetest singer. Of the the only positive cure known to the esting facts in local history, which apmany complimentary notices given the medical fraternity. Catarrh being a pear in this day odd or unconventional. But when it is remembered that the young ladies, we select the following: · · Miss Gladys Jones displayed three departments of government, legisher remarkable voice to advantage in a pleasing solo, "As the Dawn," artisti-cally rendered.—Oregonian. Cure is taken internally, acting directly upon the blood and mucous surfaces of the system thereby destroying the lower lative, executive and judicial, were carried on in a very lax manner in those

For the playing and singing of Miss Hattie Stevens everybody has the highest praise. In time and touch and finish of early days, when the unlearned, unpracticed, but generally quite intelligent, men, held the chief positions in church execution she has eminently the qualifior state, it is not to be wondered 'at that cations that make her a fine planist. She has a rich, fresh, clear voice and the various transactions of these functionaries seemed at times a little irregusings with apparently so little exertion. Her friends have much to hope for in the development of her voice.-Lewiston lar from the standpoint of jurisprudence Teller. It is our intention to give the particu-
