THE DALLES, - - - OREGON

PERSONAL MENTION

Dr. Morgan came up from Hood River this morning, returning this afternoon. A. K. Fuller and Wm. Tate of Sherman county were in the city today doing some land business.

Mr. C. H. Stranahan of Hood River was in the city today, making final proof on a timber culture in Sherman county.

Mr. N. P. O'Brien of Dufur made us a brief call today. He reports the mer-cury as touching 10 below zero yesterday and 12 below this morning.

Mrs. Jones and daughter of Prineville, who have been visiting Mr. and Mrs. J. F. Moore for the past week, were pas-sengers on the afternoon train, bound for the Willamette valley.

Mr. Wm. Henrichs, county clerk of Sherman county, is in the city.

Mr. B. F. Medler and sons, Ernest and Henry, were in from Watco today making final cash entry proofs.

Mr. W. C. Allaway is down at the scene of the wreck of the Dalles City, seeing what can be done towards raising

Mrs. S. L. Young and son, Marshal, arrived home last night. Mrs. Young has been to Oregon City attending the funeral of her brother.

Hon. A. A. Jayne is in the city.

Mr. Ed. Wingate arrived home from Portland last night.

Mrs. P. M. Dekum, who has been visiting Mrs. Lord here, returned to Portland Sunday.

Conductor Fowler is in the city. His train, the west-bound, being held here until the road is open.

Robert Williams was in from his ranch yesterday, and says the ride had none of the features of a pleasure trip. E. Jacobsen arrived home from Hepp-

ner last night, and has all the outdoor exercise he needs, at least until the weather changes.

The Spanish Students.

The Spanish Students have been here and are gone, leaving only pleasant recollections to those who had the pleasure of listening to them. Mr. Webber is certainly entitled to the thanks of all our music lovers for having brought the company here. The house was decidedly a poor one, due to two or three things, one of which was the cold and disagreeable weather, the other the fact that the audience was disappointed Friday evening by the non-arrival of the company and many of them doubted the curtain going up Saturday evening as the company had not arrived here at 7 o'clock, and they did not care to face the cold a second time with a chance of being disappointed. It would be difficult to say anything of the individual artists, that would not apply with equal force to each of the others. The Spanish Students responded to hearty encores to every selection rendered by them. The Cello solo by Senor F. Brocamonte, and the bandurria solo by Rebagliati were each simply perfect, and little Ad die Favart won a storm of applause. It was without a doubt the most meritor-100s musical entertainment The Dalles has been favored with in many a year, and Mr. Webber would do well to bring the company here again in the near future, for the honse would be filled.

Aug. J. Bogel, the leading druggist of Shreveport, La., says: "Dr. King's New Discovery is the only thing that cures my cough, and it is the best seller I have." J. F. Old people who require medicine to regulate the bowels and kidneys will find the true remedy in Electric Bitters. This medicine does not stimulate and contains no whisky nor other intoxicant, but acts as a tonic and alternative. It acts mildly on the stomach and powels, adding strength and giving tone to the organs, thereby aiding Nature in the performance of the functions. Electric Bitters.

Electric Bitters is a medicine suited for any season, but perhaps more generally needed when the languid, exhausted feeling prevails, when the liver is torpid and alterative is felt. A prompt use of this medicine has often averted long and perhaps fatal bilious fevers. No medicine will act more surely counteracting and freeing the system from the malarial poison. Headache, Indigestion, Constipation, Dizziness yield to Electric Bitters. 50c and \$1 00 per bottle at Blake-ley & Houghton's drug store.

HOW IS YOUR EYESIGHT.

Dr. J. C. Lannerberg, Eye Specialist, Graduate of Spencer Opthalmic College, New York City.

People having weak eyesight should not miss this opportunity to have their not miss this opportunity to have their eyes properly examined and fitted. The Dalles, Portland and Astoria doctor has instruments with which he can examine every part of the interior of the eyes, and tell in an instant whether he can benefit you or not.

Many children complain of pain in the eves and feel unable to keep up with their classmates in school. They undoubtedly have trouble with their vision, which if corrected will benefit them for life. Cross eyes can be straightened with proper glasses.

Нерриев, От., Nov. 23, 1896. To whom it may concern: Dr. J. C. Lannerberg, the leading eye specialist of the Pacific, has been in Heppner for several weeks past and has successfully treated many, among them my daughter and myself. Indeed he has been most successful in every case, and of course has the confidence of all physicians who have the pains to examine into his work, as well as the general public. I have no needing his services.
