Beware of Imitations for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally, and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Price 75c. per bottle. Sold by Druggists.

A Fact.

No one need hesitate to purchase the Kickapoo Indian remedy, as they are reliable. The Kickapoo company has always enjoyed the very best reputation for reliability and square dealing. Their remedies are sold by all druggists, and were handled by the druggists in The Dalles long before the coming of their advertising company, now occupying the Baldwin opera house. Ask your druggists for Kickapoo Indian remedies.

Oh! I Don't Know.

People know a good thing when they see it. The American people, it is said, love to be humbugged. There is one real estate agent in the city who does not humbug anyone, for it is out of his line. That agent is Dad Butts, and the way he makes sales is a caution. Paste this in your hat and when you want anything in his line call on him.

A Golden Opportunity.

Stock ranch 500 acres, good house, barn, and outbuildings; 100 head young stock cattle; 4 work horses; 1 saddle horse; wagon, farm implements, etc., sufficient to run a farm. Sixty acres in cultivation, well watered. About one hundred miles from The Dalles, Or. For terms see old "wide-awake" Dad Butts.

I was reading an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy in the Worcester Enterprise recently, which leads me to write this. I can truthfully say I never used any remedy equal to it for colic and diarrhoea. I have never had to use more than one or two doses to cure the worst case with myself or children.—W. A. THE MOUSE IN THE PIANO.

It Ran Out of the Sound of Classical Music, But Not for Two-Steps. "Speaking of mice," said Mr. Biffleby, according to the New York Sun, "a friend of mine tells me that when it was being played upon the other day a mouse ran out of it and scurried around on the top and then ran down a curtain whose folds touch the piano at one end. The mouse has done this twice in a single day."

"Search was made in the interior of the instrument for a mouse's nest, but none was found. Perhaps the mouse had not yet begun building when it was first attracted by the sound of the strings. However that may be, it still comes back, and it comes out and runs away only when classical music is played, and not for two-steps and that sort of thing."

"As to the accuracy of these facts there can, of course, be no doubt. The only question in my own mind is as to whether the mouse's failure to come out when the two-steps and so on are played really indicates a preference for the lighter forms of music, or that—er—r—the mouse isn't there."
