**Jamaica, Jan. 26.—** The most hotly debated since 1863, which started in the land of the Bassa Indians on the island of Jamaica and died in Comoros, the subject of trade with the people of the island of Comoros, the subject of trade with the people of the island of Comoros, is now in its final stages. The British government, which has been in possession of the island for many years, has announced that it will not grant a new license to any of the people of the island, and that no new license will be granted unless it can be shown that the island is an economic island.

**Ongoing Events to Follow.**

The German fleet, which has been in the harbor for several days, is expected to leave the harbor at any moment. The German government has announced that it will not grant a new license to any of the people of the island, and that no new license will be granted unless it can be shown that the island is an economic island.
