C. L. PHILLIPS,

battery, the force of troops at Camp Merritt has been increased to 12,200.

Work on the Transports, Which Are to

Compose the Third Manila Expe-

dition, Is Progressing Favorably.

Early this morning 352 recruits from Kansas and Tennessee will arrive, and a number of recruits from Iows and Idaho are expected in the evening. On Thursday 260 men recruited to fill the Seventh California will reach camp. The First California volunteer has been recruited up to the maximum, and tomorrow the 300 new men will be turned over to Colonel Berry, of the

Seventh, who will take them to Manila. Work on the transports has progressed so favorably that they will probably be ready to sail by Saturday. The monitor Monadnock and collier Nero are expected to start for Manila at the same time. After the departure of the next expedition the remaining troops will be re-brigaded by General Otis.

Governor Richards, of Wyoming, will remain here until the troops from that state leave for Manila. The First Tennessee has issued its requisition for arms and equipment. Today the men will have stores, clothing and other neces saries issued to them, and in a few days Colonel Smith hopes to get his command in shape for service in the Phil-

The board of supervisors has adopted a resolution calling on Secretary of War Alger to provide an adequate water supply and sewer facilities for the Presidio eservation, as preliminary steps looking toward the concentration of all troops at that place. It points out the uneanitary condition of Camp Merritt, and urges the necessity of removing the soldiers from their present location.

TO REPAIR NAVAL SHIPS.

Complete Shipbuilding Plant Sent to Join Sampson's Fleet.

Boston, June 23 .- The United States ship Vulcan, formerly the passenger steamer Chatham, carrying the floating ship-building and repair plant, has sailed from Charleston navy yard. The vessel, which goes to join Sampson's fleet, contains tools to build every part of a naval ship, and its electrical equipment, and to manufacture small rapidfire guns. Its outfit is valued at more than \$300,000, and is officered and manned by some of the best men in the
