Tuesday afternoon Dufur people were suddenly alarmed by the cry of fire, which proved to be in J. A. Stevens' stable fields north of town.

before it had reached any of the stacks, for which Johnny of course feels thankful. We understand that Mr. Christman, who is on his way to Silver Lake with a traction engine and three heavily loaded wagons, has reached the McGrail place, about sixteen miles from town.

And enjoyable party was given at the residence of Simeon Bolton last evening, and was attended by all those who were camped at Stevenson during the hot spell, and a merrier crowd of young people would be hard to find.

That the liberality of the firm of Pease & Mays cannot be doubted is plainly demonstrated by the fact that they today gave to each of their employees who assisted in saving their property on the night of the fire a ten dollar bill which is very good wages for such short hours.

The case of Harry Smith, who was charged with assault with a dangerous weapon, was tried before Recorder Gates last night.

Today Joseph Sherar brought in samples of peaches and egg plums grown in his orchard at the bridge, and if anyone doubts that the country along the Deschutes is not a good fruit producing section, they should see the samples of fruit grown there.

to decide on a float, and they expect to have the handsomest one in the parade.

More hop pickers are passing through Goldendale, enroute to Yakima county, than for many years past. This is owing to a larger acreage than since 1893. There is a dearth of contracting for hops, however, and prices are not entirely satisfactory to growers.

A MURDEROUS ASSAULT.

C. A. Bryant, of Mosier, the Victim of an Unprovoked Attack Which Might Have Resulted Seriously.

A quarrel which might have resulted in the death of one of the best citizens of Mosier, occurred in Mrs. Mosier's store in that town yesterday morning.

C. A. Bryant, treasurer of the Stachys Mining Co., was purchasing goods in the store, when David Barrie, the clerk in the establishment, with scarcely any provocation, struck him a murderous blow on the side of the head about one inch below the temple with a heavy scale weight. He followed up the first attack by throwing a second weight, and seizing a third, attacked Mr. Bryant, at the same time making threats against his life.

After the trouble Mr. Bryant boarded the train for this place and swore out a warrant for the arrest of Barrie. Constable Hill went to Mosier yesterday afternoon and brought up Barrie who will be tried tomorrow.

Fire at Vancouver.

Vancover was visited by two fires Sunday night. The first was discovered in the library of Rev. J. E. Williams' residence, and did considerable damage before it was extinguished.

The second fire occurred at 2 a. m., when the big fruitdrier of Rands & Sons was entirely burned with a quantity of dried prunes. What insurance, if any, was carried on the drier is not known.

A HOT TIME.

Four Arrests Made Yesterday—All Kinds Of Trouble Caused by Intoxicated Ruffians.

Sunday was an exceptionally busy day for City Marshal Lauer. Four arrests were made and the victims are now in the city jail, awaiting their hearing.

The first of the four disturbers of the peace began by entering the post office and throwing ink bottles and every other article he could find around the office, and at the same time flourishing a gun with a vengeance. The floor and wall of the office were badly defaced with ink, and the postal clerk, Will Crossen, who escaped by the rear entrance, was persuaded to resume his duties only when fully convinced that the bad man was lodged in jail.

Another man was arrested for vagrancy and for being drunk and disorderly and placed in jail, while two men got into a spirited fight in front of the Germania on Second Street, and after furnishing a fund of amusement to the bystanders, was put in jail until they should come to their sober senses, when they will be punished according to the enormity of their crime.

SERIOUS RUNAWAY ACCIDENT.

H. B. Connolly Thrown From a Wagon and Seriously Injured.

A serious runaway accident occurred this morning in the East End, and it was only by sheer good luck that the owner of the team escaped with his life. H. B. Connolly, of Eight-mile, was coming down the Brewery grade with a wagon heavily loaded with grain. He drove to one side of the road to let another team pass, when his horses became unmanageable and threw the driver out on the road with the greater part of the wheat out on top of him.

Some people near by at once assisted in getting Mr. Connolly out from among the grain sacks, and it was found his injuries were very serious. He was taken to Dr. Hollister's office, and upon examination it was found that his shoulder joint was dislocated and his arm broken about three inches below the shoulder. His injuries were attended to and comfortable quarters prepared for him in the Cosmopolitan.

The team ran from the Brewery grade down Second to Laughlin, then up to Third and down Third to where that street intersects Fourth, and down that thoroughfare to Judge Bennett's property near the bridge where they ran into a telephone pole and tore loose from the wagon.

It was very fortunate that greater damage was not done, as there were a large number of teams on the side street by the Catholic church when the runaway passed, waiting for Mrs. Fritz's funeral to start.

The grain was scattered from the East End all along the line of the runaway, but outside of the injuries received by Mr. Connolly the damage was comparatively light.

OUR FIRE DEPARTMENT.

A Common Sense Communication Stating Why the Deserving Fire Laddies Have a Kick Coming.

The Dalles, Ore., Sept. 5, 1898.

EDITOR CHRONICLE: Knowing that the business men and taxpayers are interested in the welfare and progress of our city, I believe it is their hope that at some time we will have obtained a proficiency in our volunteer fire department. A good fire department means a reduction of fire insurance and an increase in the protection afforded property owners.
