Fall Greeting.

ASK FOR YOUR TRADE THIS SEASON, feeling that our dealings cannot fail to be mutually profitable and satisfactory. In the first place our r w line of goods for the season is so sound and substantial to quality and value, as to leave no room for dissatisfaction the part of the buyer. The honest merit of our goods is an Abetive appeal to the good judgment of the customer who rea zes that nothing is cheap which does not possess sterling wo th proportionate to the price asked. We aim to select and sell only such goods as will fill the expectation of the buyer from first to last; at the time of purchase it is mainly a question of style, afterward it becomes

a test of service and durability. You will find us stocked with the goods that meet these demande, and as time proves the genuiness of our quality, you

will feel like coming for more. We are sellers of goods of high grade and quality, strictly modern in style, and very low in price. If this is the style of doing business that strikes you as promising the best results for buyers, come right along, for we shall meet your expectations and give the best satisfaction. We have tried to state our position fairly and without boasting. The facts we have presented for your consideration we can substantiate at any time with quality and price. We have an earnest desire to do just as well by you as we possibility can on every purchase and to thereby merit and obtain your future esteemed patronage.

Pease & Mays.

One corres- unless the inflammation can be taken report that the grain crop is up to all by catarrh, which is nothing but an inexpectations, and as expectations were

One correspondent reports: "Prunes, early apples, blackberries and peaches are abundant, and are being shipped to a considerable extent. Threshing is straw, potato patches, cornfields, clipped meadows, and numerous fat cattle wandering over the opens, all indicate comfort for man and beast during the coming winter."

Another reports: "Clover and alfalfa have been cut twice, and are growing again for pasture."

Fruit is maturing and being shipped. Prune drying is active. Melons and peaches are good crops. There are no adverse reports from field, orchard or range. Crops are good and the people are satisfied with the results. Within I will teach a limited number of pupils

The weather conditions have assumed their their characteristics. Cooler nights winter storm conditions appear.

Matrimonial.

A pretty wedding was celebrated yesterdsy forencon at the residence of Rev. J. H. Wood, the contracting parties being Mr. Edward N. Hill and Miss Lulu J. Berrien, both of this city.

The bride is a half sister of Mrs. Wood and has attended school in The Dalles until about a year ago, is highly respected, and has many warm friends.

The groom has lived in The Dalles since his early boyhood and is known as a young man of splendid character, and respected by all his acquaintances. The wedding was of a private character, there being present only relatives and intimate friends of the contracting parties. They being:

Mr. and Mrs. Hill, Melissa Hill, Bertha Hill, Roy Hill, Marshall Standard, Mrs. Frank Rounds, Miss Lou Huntley, Mrs. Harry Jones, Mrs. Berrien, Mrs. Clark, Nellie Clark, Bliss and Willie Clark, Gladys Clark, Mr. and Mrs. Wood, Willie Wood, Gladys Wood, Rollie and Mary Wood.

The young couple have taken rooms at the Episcopal parsonage where they will make their home for the present.

Their many friends offer congratula-tions and wishes for a long and happy
