Generally Accepted View at Paris—Question of Presenting a Counter Proposition Not Yet Considered.

PARIS, Nov. 3.—The general accepted view here of the peace negotiations is that the Spaniards will not agree to the proposals submitted by the Americans to take the Philippine islands and to reimburse Spain for the money spent in permanent improvements in those islands. There is a conflict of opinion as to whether the Spanish commissioners tomorrow will present a counter proposition. This matter, it is added was undecided at 2 o'clock this afternoon.

SPAIN'S OFFER TO SOLDIERS

Those Who Have Served Three Years May Remain in Cuba If They Choose to Do So.

NEW YORK, Nov. 3.—A dispatch to the Herald from Havana says: The Spanish government has decided on the terms under which the soldiers desirous of staying in Cuba will be allowed to remain. If they have served three years in full they will be given their discharge and paid a small part of their salary, distributed pro rata, receiving notes for the balance. Those soldiers who have served less than three will be taken to Spain.

This rule concerning discharge applies to the order public also, and it is believed that the majority of them will take the opportunity to secure free transportation to Spain.

Wheat, Etc.

The wheat market today looks discouraging, so say those who are in a position to know. Fifty-one cents is still being paid here. The Chicago market was higher for wheat yesterday, but the sensational war news from the Orient either came too late or else was not seriously regarded in Europe, for Liverpool showed no positive strength. Locally 61c was about the best quotation obtainable for Walla Walla, but buyers were more than on the day previous. While the month just closed witnessed some lively exporting, as yet exporters have not made much of a hole in the big pile of grain that was harvested this season. The markets in this city are paying today (Friday) for chickens (old) \$3.25 a dozen; spring chickens, \$2.75. For ducks, \$3.50 a dozen. Geese, \$4 to \$5. Turkeys (alive) 8 cents. French ranch eggs, 23 cents; Eastern eggs, 21 cents. For butter, creamery, 57 1/2 cents; dairy, 52 1/2 to 55 cents. For potatoes, 50 cents.
