Do you have a yellow tongue? Wind on the stom-ach? Constipation? These things arise from Indigestion and Dyspepsia.

"Digestion depends on digestive fluids or "ferments" secreted by certain glands. When the secretion becomes insufficient, Indigestion results. Dr. Williams' Pink Pills for Pale People cause these glands to resume their normal action and good digestion follows. Artificial ferments (of which most so-called

Dyspepsia cures are composed) may give tem-porary relief, but Dr. Williams' Pink 'Pills for Pale People afford a permanent cure:
