THE SHAME OF GEORGIA.

The atrocious affair at Newman, Georgia, was a crime against the nation, says the Spokesman Review. the Philippines and the savages of Mr. Reed upon entering a new field. Samoa, and our right to make this He has done the country much serwarfare is pitched on the theory that vice and the people know it. But a high civilization is always justified events, imperatively demanding acin efforts for the expansion of tion, have moved a little faster than progress and the extinction of sav- the distinguished member from Maine agery. After the recent tragic en- has been inclined to go. If Mr. gagement near Apia, the savage Reed had been president there would Samoans beheaded their victims, and have been a war with Spain just the by that atrocity put themselves out. same, no matter how strong his side the pale of civilized considera- preference for peace. The country

In the fighting around Manila, Aguinaldo's men have systematically the issue. No power on earth could fired on ambulances and Red Cross have prevented the war. President the marriage of criminals, and sugworkers, and committed other barbaric and savage deeds which have held back congress as long as it was cut them off from the sympathy of practicable. The course of Reed as

At this juncture a Georgian mob of 2000 men startles the world by army to the field and waged hostiliburning a negro at the stake, and accompanying that horrible venge ance with atrocities which few It was an inevitable event, a necessavages would care to perpetrate, sity. Deplorably, this savage crime and critics of the United States as evidence to sustain their false contention that the Americans are upon a savage frenzy of the Georgia mob.

Constitution breathes a spirit of have disgraced Georgia. It argues that because one depraved negro was guilty of shocking crimes, 2000 Georgians were justified in the commission of deeds which would shock even a savage people.

energy. It should have shamed the savage white men who have committed gross crimes against civilization, and held them up to the scorn of all decent people.

Instead of facing its duty, the Atlantic paper has extended a miserable invitation to other mobs to repeat the fiendish acts of the mob at Newman. It has invited the contempt of the American nation.

DEFENUS HER PROFESSION.

Jessie Bartlett Davis, one of the purest and most intelligent women in the lyric dramatic profession, refers with indignation and contempt to the clergymen of this period who berate the stage as immoral and corrupting in its influences. She claims that such clergymen are provincial in their ideas, because they scarcely have poked their noses beyond the confines of their parishes.

Miss Davis quotes the Rev. John Watson (Inn Maclaren), who says that as good lessons may be learnt The slights received by Emma Ne-

Miss Davis claims that she has not a professional friend whose purity of character, refinement and polished like circumstances. Nobody has ever character, refinement and polished like circumstances. Nobody has ever love is still predominate, and those who noticed her cuddle the unattractive insurgent trenches, one after another;

of the best society have similarly country now, fallen?

"The difference is," added she, "the mistake of a person prominently before the public is at once taken up by the press, while the shortcomings of a society woman are concealed by her own set."-Telegram.

MR. REED'S RECIREMET.

> Senator Teller says the gold Democrats will support the Republicans in 1900 as they did in 1896. There is a strong probability that the senator is correct on this point. Bryan is making the task of the gold Democrats toward joining the Republicans very easy. The gulf at the present moment between Bryan and Perry Belmont, the head of the New York Democratic Club is as broad as it was between Bryan and Palmer or Cleveland in the campaign of 1896. Palmer and Cleveland threw up their hats when they heard, on the night of November 3, 1896, that the Republicans had swept the country. They will, for a precisely similar reason, shout on the night of November 6, 1900, when the telegraph brings the news of the over-

Aermotor Windmills

We have lately taken the agency for the Aermoter Windmill, and carry a stock on hand.

We also carry a complete stock stock of Deep and Shallow Well Pumps, as well as Pitcher Spout and Spray Pumps. See us before buying elsewhere.

The Aermotor Mill is considered the best ma-chine on the market. Call and see it.

THE DEMMING

Anti Freezing Windmill Force Pumps.

This pump has been perfected to meet the requirements of the principal Windmill manufacturers in the United States, for a better Windmill Force Pamp, with a three way valve, than had heretofore been produced. It has become the leading Ani. Freezing three way pump, and is accepted by Windmill manufacturers and dealer generally, as the test three way Windmill Force Pamp on the market. The Union Elbow Coupling for connecting to the underground discharge pipe is of Brass and can be turned to suit the direction of the pipe. The air chamber pipe is two inches in diameter, which insures ease of operation and a steady flow of water. The Hose Coupling on the ground also adds to the convenience of this pump. ling on the spont also adds to the convenience of this pump.
