

FOR SALE

A GOOD ENGINE and BOILER!

IN SPLENDID CONDITION.

Any one contemplating the purchase of an engine will do well to communicate with the undersigned before going elsewhere. The engine is 6-horse and the boiler 8-horse capacity.

THIS IS A RARE OPPORTUNITY.

WE ALSO HAVE FOR SALE

ONE 18-INCH WATER MOTOR

JUST AS GOOD AS A NEW WHEEL.

This motor is just the thing for running light machinery, and has been used by us to run a job press. At least one hundred feet of 2-inch pipe, besides unions, elbows, nipples, and a globe valve, will be included with the wheel.

A liberal discount for cash will be allowed on either of the above. For further particulars call on or address
