Would Not Suffer So Again for Fifty Times Its Price. I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times its price.—G. H. Wilson, Liverman, Bortgettstown, Washington Co., Pa. This remedy is for sale by Blakeley & Houghton, Druggists.

RAW AS BEEF FROM ECZEMA!

No Torture Equal to the Itching and Burning of This Fearful Disease. Eczema—which is more than skin-deep, and can not be reached by local applications of ointments, salves, etc., applied to the surface. The disease itself, the real cause of the trouble, is in the blood, although all suffering is produced through the skin; the only way to reach the disease, therefore, is through the blood.

Mr. Phil T. Jones, of Mixersville, Ind., writes: "I had Eczema thirty years, and after a great deal of treatment my leg was so raw and sore that it gave me constant pain. It finally broke into a running sore, and began to spread and grow worse. For the past five or six years I have suffered untold agony and had given up all hope of ever being free from the disease, as I have been treated by some of the best physicians and have taken many blood medicines, all in vain. With little faith left I began to take S. S. S., and it apparently made the Eczema worse, but I knew that this was the way the remedy got rid of the poison. Continuing S. S. S., the sore healed up entirely, the skin became clear and smooth, and I was cured perfectly." Eczema is an obstinate disease and can not be cured by a remedy which is only a tonic. Swift's Specific—S. S. S. FOR THE BLOOD—is superior to other blood remedies because it cures diseases which they can not reach. It goes to the bottom—to the cause of the disease—and will cure the worst case of Eczema, no matter what other treatment has failed. It is the only blood remedy guaranteed to be free from potash, mercury or any other mineral, and never fails to cure Eczema, Scrofula, Contagious Blood Poison, Cancer, Tetter, Rheumatism, Open Sores, Ulcers, Bolls, etc. Insist upon S. S. S.; nothing can take its place. Books on these diseases will be mailed free to any address by Swift Specific Company, Atlanta, Georgia.
