Railroad Survey

STEVENSON, Wash., June 25.—Skamania county is just now taking considerable interest in railroad prospects, caused by the presence of a surveying party, which is running a line down the north bank of the Columbia river. This party, which started about two weeks ago, opposite The Dalles, is now camped just west of Wind mountain, five miles above Stevenson. The line, so far as it runs, follows the high water mark of the Columbia very closely, and the engineers report the location and grade very favorable. The survey is in the interest of the Columbia Valley Railroad Company.

The building of this line would prove of great benefit in developing the many natural resources of this country, which at present lie dormant on account of lack of transportation facilities. E. M. Rands, of Vancouver, accompanies the party, securing the right of way.

An Excellent Combination.

The pleasant method and beneficial effects of the well known remedy, SYRUP OF FIGS, manufactured by the CALIFORNIA FIG SYRUP CO., illustrate the value of obtaining the liquid laxative principles of plants known to be medicinally laxative and presenting them in the form most refreshing to the taste and acceptable to the system. It is the one perfect strengthening laxative, dispelling colds, headaches and fevers gently yet promptly and enabling one to overcome habitual constipation permanently. Its perfect freedom from every objectionable quality and substance, and its acting on the kidneys, liver and bowels, without weakening or irritating them, make it the ideal laxative.

In the process of manufacturing figs are used, as they are pleasant to the taste, but the medicinal qualities of the remedy are obtained from senna and other aromatic plants, by a method known to the CALIFORNIA FIG SYRUP CO. only. In order to get its beneficial effects and to avoid imitations, please remember the full name of the Company printed on the front of every package.

SAILS FASTER THAN DEFENDER

American Yacht Columbia Truly a Gem of the Ocean.

HER TRIAL TRIP TAKEN

Met the Old Champion and Vanquished Her With Ease—Lightning on Tacks—Canvas Not Yet Well Set.

Newport, R. I., June 25.—The first trial trip of the new American cup defender Columbia which took place in Narragansett bay today was more successful than either her builders or her owners had reason to hope. Not only did the new boat show herself to be seaworthy in every particular, but she met the old racer, Defender, in a friendly brush of a mile to the windward and vanquished her with the greatest ease. The race between the flyers, which was over in five minutes, was sailed in an eight-knot breeze under the same conditions, each boat carrying three lower sails, with sheet well flattened. It took the Columbia about three minutes, sailing from the Defender's weather quarter, to blanket her, and in five minutes she was 100 yards ahead, going past the old cup defender as if the latter was anchored. Under these circumstances it would seem as if the Columbia were from fifteen to twenty seconds a mile faster than the Defender, and if she can make the same gain in a hard blow, the fear for the safety of the American cup will be considerably allayed.

The trip today was the builder's trial, and although the managing owner, C. Oliver Iselin, and a number of his yacht-club friends were on board, still the Columbia's designer, Nat Herreshoff, was in charge, and after the sail down the bay the boat was towed back to Bristol for a few minor repairs. It is expected that the boat will have another trial Thursday, and by the end of the week she will be formerly turned over to Mr. Iselin. In the meantime her interior fittings will be finished and her bowsprit, which apparently started in the socket in today's brush with the Defender, probably will need some attention. Before the Columbia left for Bristol Mr. Iselin expressed himself as more than satisfied with her, and it was a happy lot of yachtsmen that watched her performance and went to Bristol with her tonight.

Would Not Suffer So Again for Fifty Times Its Price.

I awoke last night with severe pains in my stomach. I never felt so badly in all my life. When I came down to work this morning I felt so weak I could hardly work. I went to Miller & McCurdy's drug store and they recommended Chamberlain's Colic, Cholera and Diarrhoea Remedy. It worked like magic and one dose fixed me all right. It certainly is the finest thing I ever used for stomach trouble. I shall not be without it in my home hereafter, for I should not care to endure the sufferings of last night again for fifty times its price.—G. H. Wilson, Livoryman, Burgettstown, Washington Co., Pa. This remedy is for sale by Blakeley & Houghton, Druggists.

DANGER IN SODA

Serious Results Sometimes Follow Its Excessive Use.

Common soda is all right in its place and indispensable in the kitchen and for cooking and washing purposes, but it was never intended as a medicine, and people who use it as such will some day regret it.

We refer to the common use of soda to relieve heartburn or sour stomach, a habit which thousands of people practice and one which is fraught with danger; moreover the soda only gives temporary relief and in the end the stomach trouble gets worse and worse.

The soda acts as a mechanical irritant to the walls of the stomach and bowels and cases are on record where it has accumulated in the intestines, causing death by inflammation or peritonitis.

Dr. Harlandson recommends as the safest and surest cure for sour stomach (acid dyspepsia) an excellent preparation sold by druggists under the name of Stuart's Dyspepsia Tablets. These tablets are large 30 grain lozenges, very pleasant to taste and contain the natural acids, peptones and digestive elements essential to good digestion, and when taken after meals they digest the food perfectly and promptly before it has time to ferment, sour and poison the blood and nervous system.

Dr. Wuerth states that he invariably uses Stuart's Dyspepsia Tablets in all cases of stomach derangement and finds them a certain cure not only for sour stomach, but by promptly digesting the food they create flesh and strengthen the action of the heart and liver. They are not a cathartic, but intended only for stomach diseases and weakness and will be found reliable in all stomach troubles except cancer of the stomach. All druggists sell Stuart's Dyspepsia Tablets at 50 cents per package.

A little book describing all forms of stomach weakness and their cure mailed free by addressing the F. A. Stuart Co., Marshall, Mich.

Robbed the Grave.

A startling incident, of which Mr. John Oliver of Philadelphia, was the subject, is narrated by him as follows: "I was in a most dreadful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised 'Electric Bitters'; and to my great joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they saved my life, and robbed the grave of another victim." No one should fail to try them. Only 50c, guaranteed, at Blakeley & Houghton's drug store.
