One On Himes.

George H. Himes, the well-known printer, dropped into the Glacier office one day last month, just as we were about to go to press. He went to the case and set up in type his own personal, stating that a tramp printer had called, etc., and gave his name. Next day, finding the hotel crowded, he went to a private house and engaged a bed for the night. The lady of the house afterwards read in the Glacier the item about the tramp printer and when her husband came home was in despair, saying: "Just think! I've taken in a tramp and given him a bed for the night. He was fairly dressed and looked like a gentleman; but here I find his name in the Glacier and learn that he is nothing but a tramp. You bet he'll pay for his bed before he occupies it." When the "tramp" came round to turn in he found a lamp burning in his room, but he had to ante up the price of the bed before he went up stairs.—Hood River Glacier.

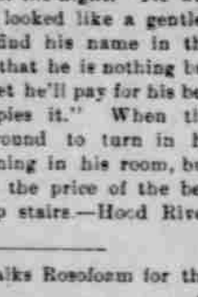
Boils and Pimples Give Warning.

AN UNFAILING SIGN THAT NATURE IS APPEALING FOR HELP.

When Nature is overtaxed, she has her own way of giving notice that assistance is needed. She does not ask for help until it is impossible to get along without it. Boils and pimples are an indication that the system is accumulating impurities which must be gotten rid of; they are an urgent appeal for assistance—a warning that can not safely be ignored.

To neglect to purify the blood at this time means more than the annoyance of painful boils and unsightly pimples. If these impurities are allowed to remain, the system succumbs to any ordinary illness, and is unable to withstand the many ailments which are so prevalent during spring and summer.



Mrs. L. Gentile, 2004 Second Avenue, Seattle, Wash., says: "I was afflicted for a long time with pimples, which were very annoying, as they disfigured my face fearfully. After using many other remedies in vain, S. S. S. promptly and thoroughly cleansed my blood, and now I rejoice in a good complexion, which I never had before."

Capt. W. H. Dunlap, of the A. G. S. R. R., Chattanooga, Tenn., writes: "Several boils and carbuncles broke out upon me, causing great pain and annoyance. My blood seemed to be in a riotous condition, and nothing I took seemed to do any good. Six bottles of S. S. S. cured me completely and my blood has been perfectly pure ever since."

S. S. S. FOR THE BLOOD

is the best blood remedy, because it is purely vegetable and is the only one that is absolutely free from potash and mercury. It promptly purifies the blood and thoroughly cleanses the system, builds up the general health and strength. It cures Scrofula, Eczema, Cancer, Rheumatism, Tetter, Boils, Sores, etc., by going direct to the cause of the trouble and forcing out all impure blood.
