On almost every excursion on the river there comes the repor that some one has been hurt or drowned. These rumors are very annoying to persons interested in making the affair a success, for they create much anxiety to persons having friends and relatives on board the boat. Yesterday it was rumored that a child had fallen overboard and drowned, while shortly after the rumor relooking good, says an authority, but from uttering these stories unless they and honor held up the name of our the board the meeting adjourned. the spring grain is beginning to turn are positive what they state is absolute- state.
