SYRUP OF FIGS ACTS GENTLY ON THE KIDNEYS, LIVER AND BOWELS. CLEANSSES THE SYSTEM. DISPELS EFFECTUALLY COLDS, HEADACHES, OVERCOMES CONSTITUTIONAL HABITUAL CONSTIPATION. ITS BENEFICIAL EFFECTS. BUY THE GENUINE - MAN'D BY CALIFORNIA FIG SYRUP CO. STYNER THE ELECTRIC DOCTOR. Is Here And Will Remain Ten Days Only.

There is no better way to determine the true value of a new item than to investigate it. Styner The Electric Doctor, from The Electro Therapeutic Co., of Portland, arrived in this city yesterday, and will remain ten days (with offices at the Oharr Hotel) in the interest of his firm. He will be pleased to explain to sick people his new Electro Therapeutic System of treatment for the cure of nervous and chronic diseases of men and women.

In this age of humbuggery and bogus advertising, the people want results, and that is just the object of the doctor's visit. To prove with proof positive that electricity applied properly is a permanent cure for diseases of a nervous or chronic nature. Styner has signed indorsements from grateful ones he has met in his travels who do not hesitate to sing praise and acknowledge what electricity has done for them.

The feature of the Electric Doctor's interview to suffering ones is that he reads disease by electricity whereby he tells you your true ailments described defects and locates diseased organs without asking questions. The doctor will make no charge for advice or Electrical Disease readings during the first part of his stay in The Dalles and invites all who suffer with disease caused from improper circulation of the blood, or of a nervous or chronic nature (if they have used medicine long enough to know the result) to call and investigate his new method of applying electricity.

Obarr Hotel. Hours from 10 a. m. to 4 and 7 to 8 p. m. Advice and Electrical disease reading free. Express Their Thanks. Mr. EDITOR: Please allow us space to express our thanks to our friends and neighbors who gave us such a delightful surprise party on Saturday evening last. As a surprise, it was a complete and delicious success, and will linger with us as long as memory lasts as a reminder of the spontaneous goodness and hearty good will of our neighbors in The Dalles; also, for the token of esteem from our neighbors, presented by Mr. Goulay in a very happily worded speech.

We hate to leave so many good friends behind, and while this expression of their esteem has made the parting more hard, still, "by the same token," it has been sweetened. And to all those who took part in the program, musical and otherwise, our thanks are due; and especially to the ladies who so generously and bountifully provided and served the elements of the feast which followed the other numbers of the program, and in which all present took an active part. And, now, thanking you one and all for reasons, a few only of which are enumerated above, we bow ourselves out; and invite you, when we get settled in our new home in the Sunny South, to drop in on us there at any time in the same informal and hearty manner. Yours Sincerely, MR. AND MRS. C. A. CAMPBELL. The Dalles, Ore., Oct. 9, 1899.
