Tragic Fate of Otis Whitmore, who Resided Near Laurel.

He was treated by physicians, also used several kinds of liniment and two and a balf gallons of whiskey in bathing it, but nothing gave any relief until he began using Chamberlain's Pain Balm. This brought almost a complete cure in a week's time and he believes that had he not used this remedy his leg would have had to be amputated. Pain Baim is unequaled for sprains, bruises and rheu-
