office today was W. A. Hunt, formerly ars. Potter will a of this city, but now of Walla Walla. Mr. Hunt is representative for the Buffalo Pitts Company and is here in its interest.

Toesday a Daily.

W. R. Winans is up from Hood River.

G. E. Thompson, of Grass Valley, is in the city.

Mr. and Mrs. Truman Butler returned last night on the Regulator from Port-

Oh, the Pain of Rheumatism!

Rhoumatism often causes the most intense suffering. Many have for years vainly sought relief from this disabling disease, and are to-day worse off than tver. Rheumatism is a blood disease, and Swift's Specific is the only cure, be-rause it is the only remedy which can reach such deep-seated diseases. A few years ago I was taken with inflamma-

tory Rheumatism, which became so intense that I was for weeks unable to walk. I tried

Don't suffer longer with Rheumatism. Throw aside your oils and liniments, as they can not reach your trouble. Don't experiment with doctors—their potash and mercury will add to your disabil-ity and completely destroy your diges-

MARRIED.

In this city, last evening at 5 o'clock at the Christian church, Rev. Gentry Rushing, performed the coremony which united in marriage Wayne Roberson and Effie Evane, both of White Salmon,

Wash. The groom is a nephew of Geo. Miller of this city, and beside his family, but a few friends were present. Mrs. F. W.

McCone presided at the organ, playing the wedding march. The bride was very pretty in a dress of white silk, and though a quiet wedding, it was an impressive ceremony.

The newly married couple will make their home at White Salmon.

Notice to "choul Teachers.

Recognizing the fact that a thorough knowledge of vocal music will in the near fature become one of the requirements of every successful school teacher, several prominent physi-clans and took their treat-I have decided to open a special course for teachers in the radiments of masse, ment faithfully, but was unable to get the slightyocal culture, theory and sight singing, fitting one for a practical knowledge in est relief. In fact, my con. dition seemed to grow worse, the disease spread Ail teachers desiring to enter this course over my entire body, and should consult or write me before Dec. from November to March lst, Teachers from the country may attend without any loss of time as the lersons will be given on Saturday of each week.

Full particulars and terms on ap-plication. A. W. LENDELL, B.M., Nov17-3tdaw The Dalles.

It would seem that there was a scarcity of track walkers in that vicinity A try-out debate to decide upon the for this time of the year, and yet in spite of the strictest vigilance such accidents cannot apparently be prevented, nor no one receive blame therefor.

Closing of Five-Mile School,

The closing exercises of school district No. 13, (Miss Rowe, teacher) on Five-Mile creek near Mr. Benson's place, was held Saturday evening, Nov. 25. In spite of the inconvenience of traveling, a large and attentive audience was in attendance, many coming from quite a distance.

The program was very interesting and entertaining. While quite impossible the different branches of vocal music, to make particular mention of the speakers, dramatic ability and grace marked the efforts of the pupils, and others taking part, whose efforts were greeted with bountiful applause. All went to show the careful training the pupils had received from their teacher, and too much praise cannot be given to Miss Rows for the pains she has taken with her pupils.

After the close of the exercises a good cough by the use of One Minute Cough cause was helped. The means for hav-Cure. Edward Baldwin has been chosen by the class as Thus another fatal accident is added business manager of the contest, he will also act as chairman, of the debate in Portland. Six candidates were chosen three best debaters will take place in Villard hall Friday, Dec. 1st, and the three decided to be the best will represent the class in Portland in January. At this try-out the question "Resolved, that we should retain the Philippines" will be discussed by E. N. Blythe, F. A. Strange and Holt Stockton on the part of the affirmative and Condon Bean, Thomas Hammond and Ben Wagner for the negative.

Dr. Strong, the new president of the university, is progressive and thoroughly up-to-date along the latest lines of educational matters. He hopes to unquestionably place the university where it should stand, at the head of all eduextional institutions in the Pacific Northwest. He is very popular among the students and is possessed of a most pleasing manner. He confidently expects to see 300 students at U. of O. at the opening of next year and feels that the university of Oregon has entered upon a growth which for rapidity and solidity will astontsh even its most A STUDENT. sanguine friends.
